MEMORANDUM:-

With reference to Mr. Gliddon's memorandum of the 25th August last, in relation to Mr. E. G. Cook's application to purchase the S½ of Section 5, Township 7, Range 29, West 4th Meridian, I beg to submit Mr. Homestead Inspector Link's report, which was called for in accordance with the decision, and which accompanies the Agent's letter of the 4th instant.

It will be observed that Mr. Link states that he found the land to be composed of level prairie, suitable for agriculture, and points out that Mr. Cook stated that he desired to acquire the property in order to have a frontage on Pincher Creek, and that the only part fronting on the Creek is Legal Subdivision I, which appears to be otherwise disposed of.

The Inspector also observes that the Crows Nest Railway runs through the land applied for, diagonally, from the South-west to the North-east, and states that Mr. Cook intimated that he was the owner of the lands adjoining to the North.

The Inspector adds that he knows of no reason why Mr. Cook should not be allowed to acquire the lands, if available, at the rate of $3.00 per acre.

It will be noted that Mr.Gliddon pointed out in his said memorandum that the part of the Legal-Subdivision North of

J. W. Greenway, Esq.,

Commissioner of Dominion Lands.

of the Creek had been patented to Mr. J. M. Murphy, and that the portion of Legal-Subdivision 1 and 2, South of the Creek had been patented to the Calgary and Edmonton Land Company.

The land applied for is shown on the sketch annexed hereto, and the point now to be decided is whether the available portions thereof, which are not railway lands are to be sold to the applicant, in accordance with the Inspector's suggestion.

Decision reserved until the receipt of the sketch and evidence. Also that the owner of the adjoining to the north be notified.

Sion, Alta, 24th April, 1906.

Dear Sir,

I am established on the bank of Lake Majeau since three years. I am married and have two children.

I am the owner of a rether big herd of cattle and of horses. I particularly give my time to raising stock, my land not being fit for cultivation. It is now very difficult, even impossible for me to be contented with only the hay that produces my homestead for to feed all that stock (over 100 head of cattle)

I come to ask you to be good enough to indicate to me by what means I could acquire 3/4 of a Section situated next to my land, on the south shore of Lake Majeau of which tha part not covered by water forms a prairie (hay marsh) , and which, when the water is low , would give me enough hay for my stock.

The three quarters in question are the following: South West 1/4, South East 1/4 and North East 1/4 of Section 5, Township 57, Range 3, West of the 5th Meridian.

Though these quarters are included in the lumber limits of Township 57, they nevertheless contain no lumber of use, as you can see by the reports of the Surveyors.

Thanking you in advance, I beg to ask you a prompt reply and to accept my respectful sentiments,

Yours truly,

Adelard Meunier,

Sion, Alta.

MEMORANDUM:-

With reference to Mr.N.O.Coté's memorandum of the 1st of October, 1906, (Marked), relating to Mr.Adelair Mounier's desire to acquire three quarters of Section 5, Township 57, Range 3, West of the Fifth Meridian, I beg to say that the Agent of Dominion Lands at Edmonton, who was duly instructed, in accordance with the decision, to obtain a report from a Homestead Inspector, in order that it might be ascertained whether or not the applicant was a bona fide squatter prior to survey, now submits Mr.Homestead Inspector McDiarmid's report, in which the latter states that there is a good deal of hay on the S.E.¼, the S.E.¼ and the N.E.¼ of this section, which would appear to be the parcels affected by Mr.Mounier's application, and that the lands would be of no use for homesteading.

The Inspector points out also that Mr Mounier has a homestead at Monnville which he still farms, but was crowded out with his stock;

The Inspector adds that the lands in question would make an ideal ranche, and that it would be no injury to the surrounding settlers to permit Mr.Mounier,who lives on the N.E.¼ of Section 4, in the same Township, to purchase the parcels, all of which should be disposed of to one person as they form a peninsula.

It will be observed that Mr. Mounier

J.W.Greenway,Esq.,
Commissioner of Dominion Lands.

Meunier stated in his application that he desired to secure the lands in question, in order that he might obtain sufficient hay for his stock, and that the Inspector's report indicates that the lands might be of utility for that purpose.

The parcels applied for are shown hatched in red on the sketch annexed hereto, and contain an aggregate area of 263.90 acres.

The N.E.¼ of Section 4, on which the Inspector states Mr.Meunier resides, was sold to him at $1.00 per acre,(Departmental letter of the 7th ultimo, File No.1430096 herewith), under instructions from the Minister, it having been pointed out by the Homestead Inspector that the applicant, who was not entitled to a second entry, had squatted on the property, and had made valuable improvements.

After consultation with you and upon further consideration of this case, I beg to report and make the following recommendations:

The registered owner of the patented portion of legal subdivision 15, outlined in RED on the Sketch herewith, applied to purchase the portion of legal subdivision 10 comprising one acre, coloured in YELLOW on the Sketch.

He was informed that the lake had receded to some extent on this quarter section and that if he wished to purchase the north half of the north half of legal subdivision 10, hatched in RED on the Sketch, and would file here an Abstract of Title showing him to be the registered owner of the patented portion of legal subdivision 15, the question of selling him the portion of legal subdivision 10 hatched in RED, at a homestead inspector's valuation would receive consideration.

Title and the [illegible] has filed the necessary Abstract of Title and the Homestead Inspector has reported as follows:

MEMORANDUM.

Mr. Hume.

Application for patent of Mrs. E. Wolf.
for the S.E. ¼ of Section 36-53-1-W-5th-M.
Not Recommended.

According to the evidence on file, Mr. Otto Wolf obtained entry for the above land on the 14th October 1905 and in July 1910 he deserted his wife.

According to the application for patent Mrs. Wolf has resided on the above land from the 1st January 1911 to the 30th June: 1st February 1912 to August 1 1912, and 1st January 1913 to the 22nd October 1913.

She has 15 acres of breaking and 15 acres cropped besides other improvements.

(1911)

Please see the Departmental communication of the 26th December 1913 where the Agent at Edmonton was advised that he should inform Mrs. Wolf that after desertion for three years, the entry of a husband is to be cancelled and the same given to the wife, and if the duties have been fulfilled between the time of desertion and date of entry, she is to be given patent forthwith or as soon as the duties are fulfilled.

This letter was evidently a mistake as the ruling of the Department is that five years must elapse from the date of desertion before the deserted wife can obtain patent.

According to the Homestead Inspector's report of the 15th November 1911, Mrs. Wolf resided on the land in 1911 from February to June. This does not agree with the statement in her application for patent.

Please say what action.

MR 12122A.

Ottawa, Ont.,
28th November, 1913.

MEMORANDUM:

Mr. Turton.

In September, 1910, the former Minister ruled that desertion must have extended over a period of five years before a woman, who had been deserted by her husband, could claim the right of entry in her own name. There was some misunderstanding at first, as this ruling was not taken to apply to cases where a man holding a homestead entry deserted his wife, and she desired to complete the duties. For some time, the Department continued in cases of this kind to allow the deserted wife to complete the duties and apply for patent at the end of three years from date of desertion, and I think this case was handled in that way.

After a time, the misunderstanding was cleared up, just about the date when the letter was written to which you refer (28th December 1911) I think this case should be dealt with on the three year basis, but before going further, an explanation should be obtained about the residence, as indicated in the last paragraph of your memorandum.

I Robert Coulter formerly of the Township of Korah in the District of Algoma, but now of the Territory of ~~xxgs~~ Alberta in the Dominion of Canada DO SOLEMNLY SWEAR.

1. THAT I have heard read over the Affidavit made by Samuel Coulter respecting the North east quarter of Section 32, Township 11, Range 27 west of the fourth meridian, in the Territory of Alberta, and I have resided within half a mile of ~~from~~ the said lot, and almost all the Homestead lands lying between the said Section and between the source of Creek for a distance of miles, has been homesteaded and in my opinion as this portion of the territory has been largely sold or located for farming purposes instead of ranching that it is not necessary to reserve the said quarter section as a water lot for any further period of time. The public highway crosses the said Creek at two different places adjacent to the boundary of the said quarter section and in my opinion sufficient area can be reserved should it be considered necessary to retain a portion thereof for the purpose of a water lot.

MEMORANDUM:

MR.HUME.

Re S.W.¼ of 16-57-26-W.4th.M.,
Homestead-Henry Eugene,
Entry-25th March, 1912.
- - - - - - - - - - - - - - -

This man I understand according to his brother's statements, has been deported, but the Agent states that steps are being taken to cancel the deportation order.

Re S.E.¼ of 14-57-26-W.4th.M.,
Homestead- C. Henry,
Entry-18th June, 1913.
- - - - - - - - - - - - - - -

These men are brothers (Belgians).

Cancellation proceedings have been instituted against the entry, 20th ultimo.

On the 29th of last month Mr. Henry filed a Statutory Declaration, requesting that he be allowed to abandon his entry on condition that he be wlloed to secure entry for the South West ¼ of Section 16, in view of the fact that his brother and family have been deported.

Henry claims that he has lived upon this Quarter Section continuously for two years, and that he has made all the improvements thereon, which consist of a House $90.00, Stable $75.00, and clearing $20.00.

This man further states that he did all the work on the land, and even lent his brother $197.00.

The only improvements on the South East quarter appears to be four acres of breaking.

Mr. Henry has executed a Declaration of Abandonment conditionally, as stated above, and I think the Agent's suggestion in this case would be reasonable. I would refer you to the part underlined of the Agent's letter of the 4th instant.

I presume that it is hardly necessary to take the matter of deportation up with the Immigration Branch.

Sir:

Mr. [illegible] of Belgium made homestead entry for the S.W.¼ of 16-57-26-W.4th M., on the 25th of March, 1913.

Mr. Charles Henry, a brother of the above, has reported to the Department that steps have been taken by your Department to have Mr. Eugene Henry deported.

It is considered advisable, before taking any steps to dispose of the S.W.¼ of 16-57-26-W.4th M., to ask you to furnish a statement as to whether Mr. Charles Henry's statements are in accordance with the facts, and I would be glad if you would let me have any information in your possession regarding this matter, at the earliest possible moment.

ACTION TAKEN
SEP 26 1914
W. P. L.

Referring to the cancellation proceedings which have been taken against your homestead entry for the S. E. ¼ of Section 14, Township 57, Range 26, West of the 4th Meridian, and to your defence and the declaration of abandonment you have executed in connection with the quarter-section, I am to say it would appear from information contained in the Department that your brother, Mr. Eugene Henry, who holds the S. E. ¼ of Section 15, of the same township as homestead, was sentenced to a six months' term of imprisonment in the Provincial Gaol at Lethbridge for horse stealing which was due to expire on the 5th of this month. It was fully intended that he should be deported from the country after he was released from Gaol, but owing to the war in Europe such action will be delayed indefinitely. His wife and three children were deported by the S.S. "Victorian" which sailed from Montreal on the 4th August last.

It would appear that your brother is now at liberty to go on with the settlement duties required in connection with his homestead if he

Eugene Henry, Esq.,
Independance,
Alberta.

-wishes-

wishes to do so. If he fails to comply with the conditions upon which he was granted the land he will render his entry liable to cancellation.

According to the defence you have filed in connection with your homestead, you have resided on your brother's homestead and have made considerable improvements thereon. Such residence cannot be counted, however, unless your brother was also in residence at the same time and this does not seem to have been the case. Your entry, therefore, would appear to be very seriously in default.

Your request to be permitted to abandon your homestead and secure permission to make another entry for the homestead of your brother cannot be entertained. You may, if you wish, abandon your homestead and if your brother's entry is in default make an application for the inspection of his land, with view to the cancellation of his entry and re-entry by yourself. You will understand, however, that your brother may desire to go on his homestead and do the necessary settlement duties, in which event his entry would not, of course, be cancelled. If you still wish the abandonment of your entry to be acted upon, kindly communicate again with the Department.

-If-

If, under the circumstances, you wish to retain possession of your own homestead you should furnish the Dept of Dominion Lands at Edmonton by the 1st November next with conclusive proof in the shape of a statutory declaration that you are performing the requisite residence duties in an entirely satisfactory manner, with the intention of complying faithfully thereafter with the regulations. If you fail to comply with these instructions the case will be reported promptly to the Department, in which event your entry may be cancelled.

Your obedient servant,

Assistant Secretary.

Eugene Henry who holds entry for the S.W. 16 - 57 - 26 - W 4th Mer., was to be deported, but, owing to the war, the action has been delayed indefinitely. I enclose herewith his declaration setting forth that he will return to the homestead which he wishes to retain.

Ghislain Henry holds entry for the S.E. 14 - 57 - 26 - W 4th Mer., and cancellation proceedings are pending. On the 13th instant, I forwarded to you his declaration of abandonment of this land, as he intended to secure his brother's land by cancellation to take advantage of the improvements thereon. As, however, his brother has now returned, Ghislain wishes to withdraw his abandonment and keep possession of his land. He also withdraws his cancellation against Eugene's entry for the S.W. 16.

Kindly advise me if the cancellation proceedings pending against these two entries may be abandoned.

Translation from the French. M.F.R.

Big Lake, October 20th, 1914.

The Minister of the Interior,
Ottawa.

Dear Sir,

I am Belgian myself and I take the liberty of writing to you in order to know what your Department can do for me. I might first tell you that I have been in prison for 6 months for that I am. My time would end 5th September but I was not free only on the 7th of October. When I arrived at my home-stead I had no longer anything; my animals sold and my wife driven away; it seems to me that on returning to my land it will be only for to see that my children will return to me. One of my children, age 4 years, my sister in Canada, remains for in Belgium. It is strictly unfortunate to have my animals taken away in order to have my wife and her children carried off by force as was done; especially just at the beginning of the war. For 11 months I was on my homestead. By anonymous letter my wife had been informed of my failing in fidelity. The matter is entirely false and I can prove the contrary. The anonymous letters have been sent by some persons who owe me money, believing that thus they will have me from Canada and have me sent back to Belgium. I have also asked to go to fight for my country and this was refused me. Finally, dear Sir, I close my letter by asking you to have the kindness to reply to this letter. I place myself entirely in your hands.

Will you believe me, Sir,

Your humble servant,

Eugene Henri,

Big Lake, Alberta.

S.E.¼-14-57-26-W.-4th Mer.
Hd. of Mr. Ghislain Henry.
Since the 18th June, 1913.

Please refer to Mr. Edwards' memorandum of the 24th August last marked under.

In connection with these two entries the Agent at Edmonton writes here as follows on the 28th October:-

"Eugène Henry who holds entry for the S.W.¼ 16-57-26-W.-4th Mer., was to be deported, but, owing to the war, the action has been delayed indefinitely. I enclose herewith his declaration setting forth that he will return to the homestead which he wishes to retain.

"Ghislain Henry holds entry for the S.E. 14-57-26-W.-4th Mer., and cancellation proceedings are pending. On the 13th instant, I forwarded to you his declaration of abandonment of this land, as he intended to secure his brother's land by cancellation to take advantage of the improvements thereon. As, however, his brother has now returned, Ghislain wished to withdraw his abandonment and keep possession of his land. He also withdraws his cancellation against Eugène's entry for the S.W.16.

"Kindly advise me if the cancellation proceedings pending against these two entries may be abandoned."

On the other hand,Mr. Eugène Henry makes the following statement on the 29th of October:

"I am Eugène Henry

"I am Eugène Henry and I take the liberty of writing to you in order to know what your Department can do for me. I ought first to tell you that I have been in prison for 6 months for theft of sheep. My time ended the 5th September but I was set free only on the 22nd of October. When I arrived at my homestead I had no longer anything; my animals sold and my wife taken away; it seems to me that on returning to my land it would be only fair to me that my wife and children be returned to me. One of my children, aged 2 years, was born in Canada, two were born in Belgium. It is strictly unfortunate to have my animals taken away and to have my wife and her children carried off by force as was done; especially just at the beginning of the war. For 33 months I was on my homestead. By anonymous letter my wife has been informed of my failing in fidelity. The matter is entirely false and I can prove the contrary. The anonymous letters have been sent by some persons who owe me money, believing that thus they would drive me from Canada, and have me sent back to Belgium, I have also asked to go to fight for my country and this was refused me. Finally, dear Sir, I close my letter by asking you to have the kindness to reply to this letter. I place myself entirely in your hands."

If Mr. Eugène Henry is not to be deported I fail to see how he could be deprived of his homestead.

As regards Mr. Ghislain Henry, I think his reinstatement should be ordered and the cancellation proceedings abandoned in both cases, because the evidence goes to show that the settlement duties ~~will be~~ and are now being performed.

Sir,

S.W.¼. 16-57-26 W.4th M.

The Department is in receipt of your declaration of the 7th instant filed with the Dominion Lands Agent at Edmonton in defence of the cancellation proceedings pending in connection with your homestead entry for the land above described.

Kindly communicate with the aforesaid official within the next 30 days stating definitely what area you have broken, as it will be assumed you have a total of 20 acres broken and not a total of 30 acres in each year as set out in your statement. Please explain why there has not been brought under cultivation a total of 30 acres as required.

If the land is difficult to cultivate, kindly state what in your estimation it would cost per acre to break.

When heard from in this regard it is hoped the Department will be in a position to dispose of the cancellation proceedings outstanding.

Sir,

The Agent of Dominion Lands, Edmonton, has reported that you have failed to carry out the instructions contained in the Departmental Communication of the 25th of October last, allowing you 30 days to furnish that official with definite information as to the area under cultivation on your homestead, the above described land, and the cost per acre for breaking.

As this may have been an oversight on your part, a further opportunity will be given you to furnish this information during the next 30 days.

When this information comes to hand, the question of disposing of the cancellation proceedings will then be considered.

Dear Sirs,

Replying to your letter of the 20th December, 1918, regarding my homestead as you have told me that I ought to break 30 acres, but I have 20 acres of breaking and under cultivation and about 30 acres which are ready for breaking, grubbed cut and all cleared, therefore it is not necessary to say what I ought to break for I am no longer capable of doing more for the rest of the land is all muskeg. I think well that a man who does what I have done for improvements he is quite right for in 1914 I made application for my improvements at the Office at Edmonton, if I did not wish to draw them it is the fault of your Immigration Government which stole my family and my stock and refused to send me back to my country to fight for my flag. Therefore you can get information from the Minister of Justice, Ottawa. He will inform you from the file that which I tell you in my letter. Then My Majesty I think well that a man like me who who returns to his house to see neither wife nor child nor anything of his cattly, it is not necessary to say that I ought to break the land with a spade. I have furnished all on the land, stock, machinery, buildings and a wife and 3 children for 3 years therefore I think well that you will give me the improvements on my land directlt to send me to Belgium for I wish to go to my My Majesty Albert I, King of the Belgians. I would ask you if you will have the kindness to write to me in French.

Accept the compliments of

Your devoted servant,

Eugene Henry,
Mcrinville, Alta.

So you may understand well what the Government has done you can ask the Belgian Consul for the file and you will see the that has been done in war time to expel

a family into the war.

Dear Sirs:

We the undersigned residents of Busby district in the Province of Alberta desire that your department would make an investigation to ascertain the desirability of Eugene Henry becoming a citizen of this country. It is the unanimous desire of the people in the neighborhood that he be deported to his native country. Although he is a Belgian he has enemy sympathy and is considered not only a nuisance by the neighbors but has been in jail several times as police records will show.

The enclosed affidavit has been taken by one of his neighbors.

Dear Sirs: Re Parent Henry and S.W.Q. of 1[illegible]-5[illegible]-2[illegible],
West of the 4th.

I am enclosing herewith a letter addressed to the Department of the Justice, signed by myself and the two nearest neighbors to the above. Also an affidavit in regard to him. This man made his homestead entry for the above land over six years ago. Since then he has made no effort to complete his residence duties and the only improvement which he has put on the land is a house, but he has done no breaking or fencing or any other improvements. During the past season, notwithstanding the hay shortage, he did not cut the hay on the place and he has not paid any taxes thereon for the past three of four years. It is the unanimous opinion of the settlers that he is a detriment to the neighborhood and that his entry should be cancelled. My son Douglas Hepburn who is a returned soldier, has applied at the local Dominion lands office in this City to cancel this man's entry and I should be very glad if you would give a favorable consideration to his application.

Yours truly,

W. H. Hepburn.

Dear Sir:

Mr. Douglas L. Hepburn has drawn to your letter of the 21st instant advising him that you have cancelled the cancellation proceedings. He instructs me to obtain your reasons for so doing. The applicant has failed to fulfill the ordinary duties, notwithstanding the fact that he entered upon the land years ago, and must in fact be a settler of a permanent character, as the files will show. This is therefore a case in which the regulations of the department should be rigidly enforced.

Yours truly, etc.

In this matter it now appears that the inspector who inspected this land did so simply as a matter of curiosity and the inspector in whose district the property is actually located has never made any inspection. I should therefore be very glad if you would have the Dominion Land Agent here give the necessary instructions to the proper official. There is a great scarcity of hay in the West this year and unless Mr. Hepburn be allowed to cancel Mr. Henry's entry the hay on this quarter will be absolutely wasted.

Re Eugene Henry, and the N.W.T. of
1 - 57 - 14, West of the 4th Mer.

I am writing to you at the request of a client of mine, Douglas Hepburn, a returned soldier, who made application for cancellation of Eugene Henry's homestead entry in respect to the above land at the meeting of this year. I understand that Henry made his homestead entry over six years ago and that since that time he has made no effort to complete his residence duties [illegible] the only improvement which he has put on the land is a house. He has done no breaking or fencing or other improvements. During the year 1918, notwithstanding the hay shortage, he did not cut any hay on the land and he has not paid any taxes for the past four years. He did cut the hay this year at the eleventh hour, no doubt from his knowledge that these proceedings were pending, and he has also been cutting the timber and selling it. He is simply playing the part of a speculator, taking what he can from the land which will bring him ready money, without doing anything to improve it. I understand that it is the unanimous opinion of the settlers that he is a dangerous character and a detriment to the neighborhood and that he has served jail sentences. I have been unable to get very much satisfaction from either Ottawa or the Dominion Land Agent at Edmonton. For months Ottawa stated it had no report from its inspector. The agent now advises me that the inspector's report has been sent to Ottawa but the Department, with the usual dilatoriness and [illegible] marks the Government's attention to [illegible], has failed to give any decision. If Mr. Hepburn be allowed to cancel Mr. Henry's entry he would be enabled to do so without delay in order to give him an opportunity of getting out costs for fencing

Homestead of [illegible] Henry, (Belgian).
Entry granted 15th March, 1912.

On the 14th August 1914 this case was submitted in view of the statements made by the entrant's brother that the entrant, who was then described as Henry Eugene, had been deported.

The entrant's brother wished to arrange matters with a view to getting the entrant's land for himself, and he was advised that he might purchase his land if his brother was not performing the duties to file cancellation.

This he did but the proceedings were ultimately abandoned.

On the 29th October 1914 the entrant sent a letter to the Department addressed to the Minister to the effect that he had been in prison for six months for theft and on coming out found that his wife and family had been deported, also that the statements [illegible] were false and he could prove same. It appears from the file that the deportation of this man was deferred owing to the war.

On the 4th August 1916 cancellation proceedings were instituted on behalf of Douglas L. Hepburn and a defence was filed by the entrant on the 7th October 1916, claiming residence for seven years continuously on his land or with his brother. He also claimed a considerable amount of stock and 20 acres of crop.

On the 27th October of that year he was asked to explain to the Agent why he had not brought under cultivation a total of 40 acres. This he failed to do and he was allowed another 30 days. He then wrote the Department that he had only 20 acres broken in all which cost from $50.00 to $75.00 an acre to clear, and in view of this the proceedings were held in abeyance until the 1st April last.

On

On the 13th January last the entrant
[illegible] wrote the Department stating that he
[illegible] application for patent and he had considerable
stock and machinery on the land. In view of this
the proceedings were abandoned.

On the 8th February a petition was
received from three residents in the vicinity of
the land stating that an investigation be made to
ascertain the desirability of this entrant becoming
a citizen of this country, stating the unanimous
desire of the people in the neighbourhood that he
be deported to his native country, and although
he is a Belgian he has taken the oath and is con-
sidered not only a nuisance by the neighbours but
has been in jail several times. Other records
show. They enclosed an affidavit made by Horace
Moore to the effect that he was sorry he had
made a statement in the month of July of last
year likely that if he were at the front he would
fight against the British and do them all the harm
he could.

On the 28th February last a letter
was received from Mr. Henry Price, barrister,
Edmonton, stating that he had the petitioners
brought his departmental letter advising that
cancellation proceedings had been abandoned and
asking for departmental reasons for same. He
He further states that Henry not only has failed to
fulfil the necessary duties, notwithstanding the
fact that his entry was [illegible] years ago,
but he also [illegible] matter, the police
records will show, and he asks that the
case in which the regulations of the Department
should be rigidly enforced.

On the 6th March a Homestead Inspector
was asked to report in connection with the [illegible]. This
report has now come to hand stating that the entrant
is not in residence but is working near Lorimville.
He also states there is a house worth $150., stable
worth $5.00, 80 fence posts worth $15.00, 400 pcs.,
worth $5.00, 80 fence posts worth $3.00. There are 4 acres
[illegible] house and log shed worth $3.00. There are 4 acres
party cleared which may have been broken years ago
[illegible] The Inspector also states that the entrant's wife
and family were deported from [illegible] jail
the only residence duties performed [illegible]
part of one winter. He recommends that the
man is an undesirable settler the quarter should
be cancelled.

In view of the evidence on file it
[illegible] the intention of the Immigration Department to
deport this man, [illegible] be referred
already been deported the matter should be referred
to the Department of Immigration.

I have yours of the 24th ultimo enclosing a letter from Mr. Edward Brice, Barrister of Edmonton, which I return herewith. Mr. D. Hepburn, a returned soldier, took proceedings against the entry above described, but these proceedings were abandoned on a defence filed by the entrant some months ago. Mr. Brice writes you protesting against the abandonment of the proceedings.

The claim regarding duties made by Mr. Henry, the homesteader, conflicts with the report submitted by the Homestead Inspector. The matter is now under consideration by the Department as to whether the entry should be cancelled. I will endeavour to advise you further at the earliest possible date.

Evidently deportation proceedings were taken against this entry under which his family have already been returned to Belgium. Had it not been for the outbreak of war in 1914, the entrant himself would also have been returned.

No attempt is being made by Mr. Henry to cultivate his homestead and the cancellation of his entry is under consideration. Would you advise me if it is intended to deport this entrant?

I, herewith, return file 18157 A., re in reply to your memorandum immediately hereunder in the case of Eugene Derry, I may say that we were arranging for the deportation of Derry and his family, and did actually accomplish the deportation of the family, just at the outbreak of war. They were on the high seas when war was declared. Derry, at that time, was in gaol at Lethbridge. We discovered before Derry's release from gaol that during the period of his imprisonment a Certificate of Naturalization was issued in his favour; notwithstanding the fact that the Certificate was secured by some misrepresentation, we cannot overlook its issue and consequently have withdrawn from any further proceedings in Derry's case and have already taken steps to bring his wife and family back to Canada.

I beg to acknowledge receipt of yours of the 14th inst. asking whether we had any record in connection with one Eugene Henry.

I am advised that in the Spring of 1914 Eugene Henry was sentenced by Judge Walsh to six months imprisonment for sheep stealing. I have no doubt particulars of the case can be got from the Clerk of the Court. I am unable to find the particulars of the case among my files.

In March, 1916, the same man was tried before Judge Noel for horse stealing. This case was dismissed on the ground that it was not a criminal but a civil matter between two brothers.

Dear Sir:-

Re. N. E. ¼-16-56-25-W. 4th Mer. - Eugene Henri.

The above named party this day called on us and instructed us that he had just been informed that one Edward Burns of the City of Edmonton had cancelled his homestead, the above lands. Our client states that he has never had any notice whatsoever from the Department of intention to cancel, and considers that he has been in this as in other cases persecuted and for the past five or six years.

The facts as given to us by our client is that he entered for this homestead in 1910, and he and his wife and family resided thereon and made it their home until about five years ago, when the Immigration Agent as we claim and did claim at the time wrongfully and unlawfully and in the most high handed manner visited the above lands, seized all of our client's horses, cattle, furniture, machinery, etc., and sold same and immediately deported Henri's wife and children, and before action could be taken they had left Quebec for England and immediately on arrival in England were on or about the 1st of August, 1914, shipped to Calais, France, and as war broke out within a day or so this man's wife and family became scattered, and it is only lately that the Immigration Department have recognized their error, as you can see by looking up their file re the return of this woman and her children some of whom have been located.

Surely this man has suffered enough through the error of officials without now having his homestead cancelled and himself notified by the local agent to move his stuff off the place. We are enclosing a copy of this letter to the local agent here.

Dear Sir:-

Re. S. W. 4-16-57-26-W. 4th Mer. - Eugene Henri.

On behalf of our client, Eugene Henri, we beg to protest against the allotment of the above land to one Hepburn on the following grounds:-

1. Our client never received any notice of cancellation of homestead or intention so to do, and he has made inquiries at Morinville Post Office, and no such letter was ever received there.

2. This homestead has been entered for by our client and he has done a large amount of work thereon and has put in his residence thereon. His wife is now returning from Belgian, to which place she was practically sent by the Dominion authorities after the Dominion authorities had practically sold and disposed of Eugene Henri's stock, implements, etc., and all of which has been duly presented to the Minister of the Interior at Ottawa.

3. That the said Eugene Henri wishes to apply for patent for the said land and to reside thereon permanently as his home.

4. That he has placed over $1000.00 of improvements on the said land.

Mr. Hume.

Re S.W.¼ 16-57-26 W.4th M.
Cancelled homestead - Eugene Henry.

Homestead - Douglas L. Hepburn,
Entry granted 13th December, 1919.

Please see the Deputy Minister's memorandum of the 11th November last, (marked) to the Minister, with regard to which action has been taken in accordance with the decision arrived at therein.

Acting on behalf of the former entrant, Messrs. Robertson, Winkler, MacDonald & Hawe, Barristers of Edmonton, protest against the summary cancellation of Mr. Henry's entry, on the grounds that he was not notified that it was proposed to deprive him of the land. It is further represented that the wife and family of this man, who were apparently wrongly deported by the Immigration Authorities some time prior to the late European War, are now being returned to Canada at the instigation of the Immigration Department, and I might here say that this fact is corroborated by Mr. Blair of that Department. Our informants further state that they have been assisting Mr. Henry for the past five years without remuneration in his attempts to locate his lost family and they consider that he has suffered enough through the error of the Immigration Officials in deporting his wife and family, without having his homestead cancelled and being notified to move his effects from the land, they state.

Henry made entry on the 25th March, 1912, and cancellation proceedings have been instituted a number of times and abandoned on representations indicating that he had complied in a satisfactory manner with the requirements. Cancellation proceedings were instituted on behalf of Mr. Douglas L. Hepburn on the 5th August, 1918, and these were abandoned on the strength of information furnished by Mr. Henry in a letter dated the 13th January, 1919.

Subsequent

1920

Subsequent representations, however, were made to the Department on behalf of the applicant for inspection - Hepburn, and the Agent at Edmonton was instructed to procure a report from a Homestead Inspector. Homestead Inspector McCowan reported on the 6th August last, to the effect that Henry was not then in residence but from information obtained, it would appear that the entrant had performed part of one winter's residence only on the land since 1914 and that the four acres, which might at one time have been under cultivation, had again reverted to sod. The Inspector recommended that the entry be cancelled. The case was submitted on the 31st October last, and a recommendation made that the cancellation proceedings be revived on behalf of Hepburn and that summary cancellation of the entry take place. This was approved.

In a recent letter to the Department Mr. Henry implies that he was in residence when cancellation was carried out by the Agent and also that in view of the fact that as a result of his efforts his wife and family were being returned to Canada, he should not have been deprived of the land at least during the winter.

There is no doubt that Mr. Henry has consistently misrepresented the extent of his residence. his statements in that regard not being borne out by independent evidence but, on the other hand, there is the possibility that he was in residence when cancellation took place and, in justice to him, I presume the Department would wish to have the facts in this regard fully established as, if it is shown that he was in residence, it would seem that he should be shown consideration. Possibly there may not be sufficient grounds for disturbing Hepburn but as a precaution, it would perhaps be advisable to have the Agent notify him not to go into residence or make any improvements until further advised, and at the same time have the facts of the case enquired into by a Homestead Inspector or even by Mr. Bannerman, who could, I think, be trusted to submit such evidence as would enable the Department to arrive at a satisfactory decision.

I doubt the advisability of disturbing Hepburn's entry, but further enquiry might be made as to whether Henry has any claim to special consideration.

R.R. No. 2, Morinville.

Mr. Advocate,

I, Eugene Henry, have just received a letter from the lawyer Edward Brice, that I must leave my land and cart away my hay by the 30th January, after having worked for some years on my land and with my neighbour so as to be able to support my family in Belgium which family had to leave on order from the police and the Government while I was in prison, Now at the time of the year when my family is probably on the way returning and no shelter on arriving. I have worked during 6 years for my family to be able to return to Canada, so I believe that they have not the right to cancel my land, being there, especially in the winter.

Will you, Sir, reply to me as quickly as possible. This is the No. S.W. 10 - 57 - 26 - 4th.

I have remained on my land since 1911 with my family, until the 18th July, 1914, the day when they were expelled. I have remained there since the 1st November, 1918. I have always lived on my land to work by hard for I had no more cattle when I returned.

Apply to the Immigration at Ottava and the Minister at Ottava and you will find my file and they tell me that my family is going to return.

I have never been notified from the Land Office at Edmonton.

This is the address.-

Memorandum:

Mr. Hume.

Re S.E. ¼ 16-47-26-W. 4th M.
Cancelled homestead - Eugene Henry.

Homestead - Douglas L. Hepburn,
Entry granted 13th December, 1919.

The question in this case is whether Henry is entitled to further consideration, that is to say, reinstatement in his former entry for the above mentioned quarter-section.

Eugene Henry is a Belgian and, according to the evidence, it does not appear that he has performed very much residence since 1914. It appears that some misunderstanding arose concerning his status by the Immigration authorities. Briefly stated, his wife and family were deported, but, after their arrival in France, the case was re-considered and it was decided to bring the family back but, on account of the unsettled condition of the Country owing to the War, the Immigration authorities have had considerable difficulty in finding any trace of them. However, it is understood that some of the family have been located and are being brought back to Canada. Mr. Henry himself was apparently imprisoned for some time, probably in connection with the matter which resulted in the deportation of his wife and family, but of course, is now at liberty.

To make a long story short, now that Henry's family are returning to Canada, he wants his land back in order that he may have some place to go with them.

The difficulty in the way is that Douglas L. Hepburn, a returned soldier, was granted homestead entry for the land on the 13th December last and, according to a telegram just received from Mr. Edward Brice of Edmonton, Henry has gone into residence and refuses to vacate and it is pointed out that as Hepburn must have immediate possession for Spring work an investigation, with a view to the removal of Henry is asked for.

Further facts in regard to the case will be found set forth in my memorandum (marked) of the 19th January last, when it was decided to ascertain by the report of a Homestead Inspector whether Henry was in residence as it was considered that he was perhaps entitled to some consideration.

There.....

There is no doubt, according to the evidence on file, that Henry has been up against a streak of hard luck and I am inclined to think that, but for the fact that he was imprisoned and his wife and family were deported (wrongfully, it appears) he would long ere this have completed his homestead duties and for this reason, if for no other, I consider that he is entitled to reinstatement.

Hepburn, as a returned soldier, has every facility for securing land where he requires it and the other man has not and I would, therefore, recommend the cancellation of his entry and that he be refunded the amount of his entry fee and anything paid for improvements. There is no doubt that this may put Hepburn to some inconvenience and as a concession, I would allow him credit for six months and the privilege of completing his cultivation duties in two years instead of three. This should square matter to the satisfaction of all parties concerned.

The foregoing suggestions are tentative - that is to say, we should await the receipt of a report from a Homestead Inspector concerning Henry's residence before further action is taken and this might be expedited by telegram.

WHEREAS your petitioners are residents of Morinville District, and neighbors of one Eugene Henri, who is the homesteader of the Southwest quarter of Section Sixteen (16), Township Fifty-seven (57), Range Twenty-six (26), West of the Fourth Meridian, in the Province of Alberta;

AND WHEREAS your petitioners are informed that your Department has cancelled the homestead right of the above named Eugene Henri in and to the said lands, and that he has received notice to vacate same;

AND WHEREAS your petitioners wish to point out to you that this Eugene Henri did a large quantity of work on these lands, built a good house, fenced same, broke land as required, and in the year 1914 the Government transported the wife of the said Eugene Henri and their children to Belgium, and this broke up the home of the said Eugene Henri;

AND WHEREAS your petitioners are firmly of the belief that a grave injustice will be done this man if the Department under all the circumstances which are known to the Department now confirm the cancellation of this land, and permit some person who has never done any improvements on the said land to enter and enjoy the fruits of the labor of the said Eugene Henri;

THEREFORE YOUR PETITIONERS PRAY that your Department will reconsider your decision to cancel the said lands and Eugene Henri's right therein, and that the said Eugene Henri be permitted to continue as the homesteader of said lands, and to make application for patent therefor;

Gentlemen,

re S.W.¼ 16-57-26 W.4th M.

I beg to acknowledge your letter of the 29th ultimo, under cover of which you enclose a petition signed by a number of settlers, having in view the re-instatement of Eugene Henry in his cancelled homestead entry for the quarter-section above mentioned, and in reply I am to say that all the circumstances surrounding this case have been the subject of a very full enquiry and it was not until the facts of the case had been very carefully considered that the Department decided to confirm the cancellation of the entry.

Memorandum:

S.W.¼ 16-57-26-W. 4th M.
Cancelled Homestead - Eugene Henry.
Now Homestead of Wendell H. Hepburn.
Entry dated 5th May, 1920.
.....

Mr. W. H. Hepburn, who now holds entry for the above mentioned land is taking legal proceedings against the former entrant Eugene Henry for possession, Henry apparently being in residence at the present time. Mr. Hepburn's lawyer wires asking permission to examine the file of the Dominion Lands Agency and take copies of Homestead Inspectors' reports and other letters.

The case is fully set forth in Mr. Powell's memoranda of the 19th January and the 8th March, last, marked. Cancellation of Henry's entry was carried out on the Deputy Minister's memorandum of the 27th March, last, intimating that the Department of Immigration advised that they were trying to cancel Mr. Henry's Certificate of Naturalization with a view to his deportation, (memorandum marked). Mr. Henry secured entry in 1912. D. L. Hepburn applied to cancel in August, 1918. On a report by a Homestead Inspector, dated August, 1919, it was decided to cancel Henry and allow D. L. Hepburn entry.

Henry protested and the matter came up again in March, but as already stated the cancellation of Henry's entry was confirmed.

D. L. Hepburn then abandoned in favour of his brotner, W. H. Hepburn, a returned soldier, who secured the land in May, 1920.

A petition on behalf of Henry was filed in May but the case was not re-opened.

The Homestead Inspector's reports since Henry obtained entry are as follows:-

1. Inspector McCowan of 6th August, 1919, marked "A".
2. Inspector McCowan of 12th March, 1920. marked "B".

Secretary,
Department of the Interior,
Ottawa, Ont.

Dear Sir:

Further in connection with my wire to you of the 29th, touching the above matter. I beg to advise you that this matter came up in Judges Chambers this morning and the Supreme Court Judge here absolutely refuses to take any action herein.

The facts of the case are these:-

Wendell H. Hepburn a returned soldier acquired by purchase the N.W. ¼ of 16-57-26, W. 4th., in the month of August, 1919 and allowed his cattle to range on the S. W. ¼ of 16-57-26, W. 4th, which was then entered upon by Eugene Henri, who was not a resident during the Summer 1919, and was not there until February 1920.

Cancellation proceedings were commenced by Wendell H. Hepburn on the 24th day of July 1919 on the grounds of non-residence.

H. S. McCowan, Homestead Inspector, put in his report on the 6th day of August 1919, stating that the Entrant Eugene Henri was not on the land; improvements were $150.00; Four acres were cleared, may have been broken years ago but new sod."

4388818

The entry of Eugene Henri was duly cancelled on the Fourth day of December, 1919, and after considerable correspondence with the Department at Ottawa, Hepburn was granted homestead entry on the 5th day of May 1920, obtaining receipt No. 397318.

When Hepburn went to take possession of the Quarter section he found Henri in possession and he refused and still refuses to go off.

Henri came into Edmonton to the Land Agent who gave him a copy of the Official Letter in French, and told him he had to get off, this he still refused to do.

Wendell H. Hepburn got a certificate from the Land Agent at Edmonton certifying that he has full right to take possession of the above land, as he is the proper entrant thereon. This last certificate my client Hepburn took to the Alberta Provincial Police and to the Royal Canadian Mounted Police, but they both declined to help him obtain possession of the land.

He then came to me and under our Judiciary Act I commenced an act for the recovery of land by an Originating Notice of Motion. This was duly served on Henri, being returnable last Monday, June 28th. The Judge on the recommendation of the Solicitors for Henri adjourned until this Monday so that the material could be obtained from the Land Agent here.

In Chambers this Morning the Judge now states that he has no authority to interpret the Homestead Act, and is unable to move in any towards evicting Henri, and giving possession to the proper entrant, Wendell H. Hepburn.

4388818

Hepburn has now been since the 5th of May endeavouring to get possession of this quarter section and has been put to a considerable loss of money and time during his busy season. So would you please appoint an Agent of the Crown here, who will have full authority to dispose of this matter and grant Mr. Hepburn Writ of Possession so that he may get on this quarter section.

I would ask you to look up Eugene Henri's past file and see the type of a man that is keeping a returned soldier from getting his Quarter Section as a soldier's grant.

Will you please let me have a reply to this at the earliest possible moment, so that Mr. Hepburn can get possession of this land without any further delay?

Yours truly,

10th July, 1920.

Memorandum.

Mr. Hume.

Re S.W.¼ 16-57-26 W.4th M.
Cancelled entry of Eugene Henry.
Now the homestead of Wendell H. Hepburn.
Entry granted 5th May, 1920.

The entry of Henry was cancelled on the cancellation proceedings instituted on behalf of Douglas L. Hepburn, who made entry on the 13th December, 1919. He abandoned on the 5th May last, in favour of his brother, who secured entry the same date.

Henry is now in residence and refuses to leave the land. In view of this, Hepburn took legal proceedings to obtain possession. At Hepburn's Solicitor's request, the Agent at Edmonton was authorised to produce from his office on being served with subpoena duces tecum copy of receipt for entry by Henry, copy of notice of cancellation sent him and copy of receipt to Hepburn.

This case has been submitted on different occasions, memoranda referred to herein marked.

It would appear from the information on file that Henry made little effort to comply with the regulations in connection with the quarter-section, yet he still claims to have performed considerable residence on the land, which is not in accordance with the facts.

Cancellation proceedings were instituted on different occasions and abandoned on Henry's claim in regard to duties. The Deputy Minister's memorandum of the 27th March last, confirms cancellation of the entry.

Henry is a Belgian, and his wife and family were deported in 1914, but as this man secured a Certificate of Naturalization, the Department of Immigration was making every effort to have the family returned to this country. The Department last mentions

is making an effort to cancel Henry's Certificate of Naturalization with a view to his deportation.

According to the last Homestead Inspector's report on file, Henry has been in residence since the 10th February, 1920, and sold the hay this spring for $235.00 cash.

A petition on behalf of Henry was recently filed by Messrs. Robertson, Winkler, MacDonald & Hawe, Barristers of Edmonton, but this case was not re-opened.

H. M. Dawson, Solicitor for Hepburn, now writes stating:-

> "Hepburn then came to me and "under our Judiciary Act I commenced an "act for the recovery of land by an "Originating Notice of Motion. This was "duly served on Henri, being returnable "last Monday, June 28th. The Judge on "the recommendation of the Solicitors for "Henri adjourned until this Monday so that "the material could be obtained from the "Land Agent here."

So would you "please appoint an Agent of the Crown here, "who will have full authority to dispose of "this matter and grant Mr. Hepburn Writ of "possession so that he may get on this "quarter-section."

The Dominion Lands Act provides as follows:-

> "---the receipt given to the "applicant in the form D shall be a certifi- "cate of entry and shall entitle the recipient "to take, occupy, use and cultivate the land "entered for, and to hold possession thereof "to the exclusion of any other person, and to "bring and maintain actions for trespass com- "mitted on the said land."

Henry must be considered as an undesirable, and although he held entry for over seven

years

years, he did not complete the duties and his entry being properly cancelled, I do not see how any further consideration can be shown to him, and if the Courts will not take action, I think the Department should take steps to have him ejected from the land.

The rights of the present entrant are clearly defined by the provision of the Act quoted (Sub-sec. 2 of Section 11). It does not appear to me that the Dept. should interfere at the present time, beyond advising all parties what the Act provides

W/

10/7/20

I telephoned the Dept. of Immigration, who state (Mr. Chapman) that the question of cancelling Mr. Henry's naturalization certificate is still pending. A judge has to hold an enquiry before the certificate can be revoked. I understand the Dept. of the Secy of State are collecting evidence to lay before the judge.

I return herewith your files 13157-A and 850737, and in reply to your request on Mr. Blair's memorandum of the 17th ult., may say that we have no information regarding Mr. Hepburn's homestead, the above described land, for which we understand he secured entry on the 5th May, 1919.

According to our records, Mr. Henry has secured advances from the Board for the purchase of the S.W.¼ 16-57-16-W. 4th Mer., and for stock and equipment.

We note from your files that one Angelo Henry is in residence on the land for which Mr. Hepburn secured homestead entry and refuses to give up possession of the land to the latter. We note also that the Solicitors for Mr. Hepburn have commenced action to evict the trespasser, but that the Judge to whom the application was made ruled that he has no jurisdiction in the matter.

We shall be glad if you will inform Mr. Hepburn and his Solicitors fully as to what steps it is necessary for Mr. Hepburn to take in order to secure for him his rights under the Dominion Lands Act with respect to the S.W.¼ 16-57-16-W. 4th, advising us of the action taken by your Department in connection with the matter.

Sir,

Re S.W. ¼ 16-57-26-W. 4th M.

I beg to acknowledge the receipt of your letter of the 5th July last, having regard to the case of ugene Henri, and in reply would say the matter of the revocation of the Certificate of Naturalization as a British Subject of Mr. Henri is now under consideration and pending a decision, it is not deemed advisable to institute legal proceedings on behalf of the Department with a view to his ejectment from the quarter-section, above mentioned, for which he formerly held entry as a homestead and which now stands as a homestead in the name of Wendell H. Hepburn.

Under the circumstances, if your client is unable to secure an order for eviction, in the meantime, through the legal Courts, it will be necessary for him to await the outcome of the action above referred to.

Memorandum:

Mr. Hume.

CONFIDENTIAL

FEB 3 1921

Re S.E. ¼ 10-57-26-W. 4th M.
Homestead - Wendell H. Hepburn.
Entry granted 5th May, 1920.

The Acting Deputy Minister has asked for a report in reference to a letter addressed to him by Dr. H. H. Hepburn, of Edmonton, on behalf of his brother, the entrant above mentioned.

This land was formerly the homestead of Mr. Eugene Henry, a Belgian. Prior to the year 1914 it does not appear that Mr. Henry performed his duties in a satisfactory manner and the entry was cancelled on the 17th November, 1919, following which, re-entry was granted to Mr. Douglas L. Hepburn, who has since abandoned in favour of his brother, Wendell H. Hepburn, who now holds entry.

This man Henry appears to have been an undesirable character, and it is understood that he has served a term in penitentiary. Furthermore, his wife and children were deported shortly after the outbreak of the late European War, and returned to France, but on reconsideration it was decided by the Immigration authorities to bring the family back, and the latest information, which, however, was received some time ago, was that this was being arranged for. In the meantime Mr. Henry has returned to his homestead and now refuses to give up possession. Mr. Hepburn has appealed to the Department for assistance in his desire to obtain possession of the land, but when the case was up for consideration last August the Deputy Minister stated that he did not think it would be advisable for the Department to take steps to eject Henry, as the Immigration Department would deport him just as soon as they succeeded in having his Certificate of Naturalization revoked.

No representations have been advanced as far as I am aware, which would justify a reversal of this position on the part of the Department, but I would suggest that Mr. Blair be asked to report on his file No. 850737 (Imm.) whether the Department of the Secretary of State has taken any action in connection with the matter of the revocation of the Certificate of Naturalization issued to Mr. Henry. It is the intention of the Immigration authorities to immediately deport Henry when they receive advice that his Certificate of Naturalization has been revoked, and if the case is in shape to enable them to do so the difficulty may be overcome in that way.

Mr. Blair says this matter will get disposed of 3.2.21.

Aside from this particular issue, it would appear, according to information furnished by Wendell H. Hepburn in his letter of the 4th September

-last-

last, that he took action through the courts to have Henry ejected, and in connection therewith he states that the judge, although admitting his right to the land, stated that it was not in his power to remove Henry, which was a matter for the Department.

Provided Mr. Hepburn has correctly quoted the decision of the court, it would appear that Sub-section 2 of Section 11 of the Act (1908) should be amended to enable the holder of an interim receipt for an entry on Dominion Lands to, if necessary, enforce his right to possession by process of law. However, before any such amendment is contemplated, I would suggest reference to the Justice Department for opinion as to the jurisdiction of the district court judges in a matter of this kind.

C. E. Cornell

Mr. Clerk

What action do you recommend?

If the Court refuses to issue the writ should the State not apply to the Court for a rehearing.

Yours

Most certainly, Justice should be asked to state whether the 3 judges are right: if so to draft an amendment to the Const. which will give a homestead — town to add Mr. Wolfe

Dear Sir: W. H. Hepburn,
S.W. 16-57-26-W4th.

I beg to refer you to your letter to the writer of August 20th, 1920, and your wire to W. H. Hepburn, dated the 17th of September, 1920, wherein you stated, "Unless secure order from eviction from Provincial Court it will be necessary to await decision on application for revocation of Eugene Henri's naturalization certificate. J.W. Greenway "

This matter now stands as follows: The Notice of Motion was dismissed by one of the Supreme Court Judges in Chambers. Hepburn applied and took it to the Appellate Division of the Court and they referred it back to a Judge in Chambers for decision. Mr. Justice McArthy, presiding in Chambers wrote a letter to Mr. Cory at Ottawa from which he has given us no reply. The matter was brought up in Chambers one month later and Mr. Justice Ives directed that an issue be tried with Hepburn as the Plaintiff. A Statement of Claim was issued out of the Supreme Court of Alberta, Edmonton Judicial District on the 22nd day of November, A.D. 1920. We have not pressed the matter as we have been waiting results of your wire of September 17th .

Will you therefore please give this your attention, so that Hepburn may get possession of the quarter section before Spring opens up in order that he may start farming operations? You might please let us know if the Certificate of Naturalization of Henri's is going to be revoked, and if not we will have to get ahead with the action as Hepburn has suffered a great deal of inconvenience and hardship through not being able to get possession of this quarter section, as well as having spent a great deal of money on it so far.

Gentlemen,

re S.E. ¼ 16-37-26-W. 4th M.

I am to acknowledge your letter of the 24th ultimo, File No. 51, and in reply to say the Immigration authorities are unfortunately not in a position at the present time to take any action with a view to the deportation of Mr. Eugene Henry, owing to no action having been taken by the Department of the Secretary of State to revoke his Certificate of Naturalization as a British subject.

In the meantime it has been represented to the Department that the action for possession of the land, brought by Mr. Tendell E. Hepburn, has been quashed and a further appeal has been made to the Department for assistance in having Mr. Henry removed from the land. The Department is not in a position to express an opinion in reference to the action of the judicial authorities in this matter, but it may be stated that when the Dominion Lands Act was amended it was contemplated that in the framing of Section 11, (Sub-section 3) as worded, the holder of an interim receipt for entry on Dominion Lands had the right to take action for trespass against unlawful occupants of the land covered by his entry. I observe, however, that the case has not been concluded and that Mr. Justice Ives directed that an issue be tried with Tendell E. Hepburn as the plaintiff. Such being the case, if Mr. Hepburn desires to secure possession of the land without further delay, as he has a perfect right to do, it is suggested that the case be proceeded with as laid down.

In the meantime reference will be made to the Justice Department concerning the legal aspect of the case from the point of view of our Dominion enactment, with a view to a further amendment to the Act if such is necessary in order to clothe the holder of an interim homestead receipt with the rights of an owner in fee simple insofar as right of entry upon the land is concerned.

MEMORANDUM:

THE SECRETARY.

Re:Hepburn,A.H.

H.O.File No.84587 herewith, together with Interior Department File No.12157 A.

The situation appears to be that our settler has purchased N.W.1/4 16-57-26 W. 4th through the Board and to have secured by way of homestead entry the S.W.quarter of this same section.

The procedure by which he obtained his entry to the homestead was one whereby his brother had succeeded in cancelling the entry of one, Henry, the brother then abandoning in favour of our settler.

Apparently, Henry, the cancelled entrant, has proved an undesirable citizen, being a Belgian by nationality, serving a term in the penitentiary, and being saved from deportation only by issue of certificate of naturalization more or less inadvertently. Perusal of the Interior Department file goes to show that the Immigration Department anticipate obtaining revocation of Henry's certificate of naturalization sometime in the future, and upon such revocation becoming an accomplished fact, to take steps towards deportation.

Cancellation of Henry's entry for the south west quarter has been duly confirmed.

Our settler after making an entry proceeded to take possession, but found Henry on the land. He has been endeavoring to secure the assistance of the Interior Department with a view to ousting Henry from his unlawful possession. He also eventually made application to Provincial Judges, who, according to the settler's rendering of the matter, held that a Provincial Judge had no authority to interpret the Homestead Act, and was therefore unable to move in any way towards evicting the trespasser, Henry. An endorsement on one of the letters of the Interior Department file bears the following:" This case seems to have been badly handled by the entrant. Why not take action ourselves under section 99? K.R.Daly,23/7/20".

I am inclined to the opinion that the Judge refused action in Hepburn's favour, although apparently satisfied/

satisfied with his right to possession on account of the contents of Section 99 of the Dominion Lands Act (1908 Chapter 20) which shortly states that where any person ceases to use or possess any land of which he is wrongfully in possession, the Minister, or any officer or agent of the Department of the Interior, authorized by the Minister for that purpose, may apply to (in the Province of Alberta) the Judge of the Judicial District in which the land is situated for a summons direct to the person calling upon him to vacate.

The usual procedure and the practice generally recognized by law is that the one entitled to possession is the person qualified to take action against a trespasser. Under this procedure, Hepburn is the person entitled to proceed. But the Dominion Lands Act steps in with authority on a subject peculiarly its own and specifies the remedy that shall be taken in the case of a trespasser, and who shall take it, namely, an officer of the Interior Department duly designated for that purpose by the Minister, who shall make application to the District Court Judge of the District in which the land is situated.

I therefore submit that Hepburn's legal right to take action against a trespasser is nullified, and further, that a Judge of the Superior Court, to whom his application was made not being persona designata his authority, would, to say the least, be gravely open to question, and that if it be the desire of the Crown to assist Hepburn to his apparent rights in the matter, the Interior Department is the only channel through which the necessary steps can be taken.

3rd March, 1921.

Dear Dr. Hepburn,

With reference to your letter of the 27th January, regarding the removal of Eugene Henry from the South West quarter of Section 16, Township 57, Range 26, West of the 4th Meridian, for trespassing, I may say that full information concerning this case is being placed with Mr. S. Maber, Secretary of the Soldier Settlement Board, Ottawa, as it is considered that any action taken on behalf of a returned soldier should emanate through that Department.

I am sending you our Departmental file No. 12157A, regarding the request of Dr. H. H. Hepburn that assistance be rendered to the present entrant, Douglas L. Hepburn, in forcing the ejectment of Eugene Henry for trespassing.

Hereunder I have placed a short synopsis of the facts of the case and I might say that in the opinion of this Department it is considered that any action taken to assist a returned soldier in the protection of his rights should emanate through your Board.

You will observe that I have advised Dr. Hepburn to this effect.

OTTAWA - March 10th, 1921.

Dear Mr. Cory, -

Replying to your letter of the 3rd of March regarding the case of T. H. Hepburn, we have carefully considered the file, and beg to say that as the settler has a loan from the Board, H is not fully in possession of the homestead entry and should be protected as against the former entrant.

The Board is agreeable that any action to be taken to protect his rights should emanate through the Board. Such action by the Board, however, can only be directly or indirectly through your Department, since there is no means of relief except under Section 20 of the Dominion Lands Act. It would seem that where the matter not a former entrant, the settler could probably proceed in an action brought by himself under his certificate of entry, but where it is a case of a former entrant claiming possession under a former certificate of entry and refusing to deliver up possession, the case necessarily comes under Section 20. In any event our settler has to bear in bringing the action if he can succeed except by action under Section 20.

We are of the opinion that since our settler is prejudiced by the claim of a former entrant, that his rights should be made good by legal action under the said section at the cost of the Department, if that has been the practice in similar cases which have occurred in the past.

We would suggest that our Solicitor, W. F. W. Stuckey, at Calgary, be named as agent of the Minister under Section 20 for the removal of the trespasser. Mr. Stuckey is an agent of the Justice Department. Whether action were taken by the Department or by the Board we think it would be of advantage to act through Mr. Stuckey.

We would be glad to have your concurrence in this and the settler is entirely anxious to secure possession of the homestead in time for spring work. We would also like an expression from you as to the payment of legal fees as we would desire to advise the settler if the costs must be borne by him. The services of our legal officers, of course, would be without charge, but there would probably be other fees or costs in securing eviction.

Yours very truly,

Secretary.

Hepburn is entitled as homestead entrant, a settler enjoying advances from the Board under the Soldier Settlement Act.

I have your letter of the 10th instant, returning our official file No. 121574, and in discussing the substance of your recommendation with our Departmental Solicitor, he informs me that there should be no objection to your instructing the Department of Justice to take whatever action may be necessary under the provisions of the Dominion Lands Act for the establishment of Mr. Hepburn in his rights granted under entry.

Insofar as this Department is concerned, it is not our intention to bear any part of the legal costs and any fees which your Board is not willing to provide for will have to be borne by the entrant.

Mr. Minister,

[illegible] pardon me if I take the respectful liberty of writing you to let you know that I am very much astonished that through your order I am again served with a [illegible] on my land, a thing which I omit to tell you is not admissible for I omit to tell you that the decision of the judge gave me orders to work on my land as I have always done. Now Mr. Minister, is it just that working for 11 years on a land to make the necessary improvements for the patent, is it just that a man is going to pay down $100 for a house insured for $600 without counting the out buildings such as stable, barn use and the clearing of about 40 acres and cultivating of it, without counting the fences, he is not even paying the value of the well. If you absolutely wish to take away my property from me I ask that you will put some experts to value my work and my buildings which I have made on the said land. If contrariwise I will be forced to make known this mistake to all foreign powers. Now where are you going to put my stock, such as horses, sheep cow and pigs. Hoping for a favorable reply to my letter I remain

Statement for file.

Re S.W.¼ of 16-57-26, W. 4th M.

Eugene Henry, the former entrant for this quarter-section, has taken up residence again notwithstanding that entry for the land now stands in the name of Douglas L. Hepburn, a returned soldier.

Henry is a naturalized British subject but it is claimed that he obtained naturalization by misrepresentation, and the question of the revocation of his Certificate of Naturalization was referred to the Secretary of State. Pending the establishment of a special judicial court, it appears that the Government is not in a position to revoke the Certificate of Naturalization.

Hepburn has been notified of his legal rights in the matter of proceeding against Henry through the courts for his ejectment, and the case was brought up for trial. The Judge ruled, however, that the law made no provision for Henry's ejectment and this point was submitted by this office with a view to an amendment to the Act if the ruling of the Judge be upheld by the Department of Justice to whom it was suggested the case should be referred.

However, the Head Office file was sent to the Soldier Settlement Board last March who intend to take up the matter on behalf of Hepburn, my understanding of the case being that the matter would be referred to the Justice Department with a view to enforcing Henry's removal by process of law notwithstanding the Judge's decision above referred to.

Re S.W.¼ of 16-57-26, W. 4th M.

I am to acknowledge your letter without date and in reply to say you have on different occasions been fully informed that your claims to this land have been extinguished by the cancellation of your entry and that further occupation on your part is illegal and renders you liable to ejectment by the present holder of the land. Such being the case it would be advisable for you to at once give up peaceable possession, and provided you do so the matter of compensating you for improvements made before and since your entry was cancelled will be given consideration. In the meantime I am to warn you that your continued occupation of the land contrary to instructions will in no way strengthen a claim which the Department will be unable to recognize.

Minister Of Interior vs. Henri.
S.W. 16-57-26-4.

Dear Sir;

Pursuant to your letter of the 18th., of February 1921, we beg to advise you that this morning Judge Taylor of the District Court of the Judicial District of Edmonton gave Mr. M.H.Staples, on behalf of the Minister of the Interior who is acting in collaboration with our-selves an order for possession of the above premises, against the above named defendant in the suit of the Minister of the Interior vs Henri and costs against Henri. A writ of possession issued out of the office of the clerk of the court which was handed to the sheriff for service.

The action of Hepburn vs Henri is remaining in abeyance until the completion of this action of the Minister of the Interior.

There will be considerable costs in this matter to be taxed against Henri and we beg to draw your attention to the fact that on December 31st.,1919 there was paid into the Dominion Lands Agent here the Sum of $170.00 for the Improvements.

We would ask you therefore to pay this amount into the Clerk of the Court at Edmonton, so that the costs as taxed against Henri may be paid as far as possible out of this amount. The defendant Henri as far as we can ascertain has no other goods which would be subject to levy and consequently Hepburn will have to pay the balance of the taxed costs so it is only fair that this amount of $170.00 should be paid into Court pending the taxing of costs.

Yours truly,

Mr. Minister,

I take the very respectful liberty of appealing to you for what you had confiscated from me of all my property and cattle, seeing that it is the property of myself and my wife an children and that I have proved at the Court that your Inspector made false reports. I have 52 acres broken, I have buildings which were erected in 1914. I am going to prove it by the papers which I possess. I ask you to have me furnished with the judgment rendered against me and signed by the judge and yourself at once for I wish to return to Belgium at once. You ought to know well what you have done since 1914, therefore I ask you to furnish me with my passport and ticket so as to be able to rejoin my family. For 3 years you have separated me from my family. Then if you have the right to make positive promises we will see it further. I have proved that I had 52 acres broken and I had it fully valued by 5 witnesses, therefore you will not be able to say that it is I who said it. Besides I have the papers that the Immigration valued in 1914. I believe well that I can tell and show what your country has with the Belgians. I asked you to pay for the board of my family two hundred thousand dollars and you replied to me some things that you could never prove, for I have the petition that they made for my family and a letter from the Government which says that they could not deport me nor my family and that I was set at liberty the 5th September, 1914 and you know well that you had me kept in prison without difficulty until the 22nd November, 1914. Then I have the letter from the Director of the Prison as well as from the Minister of Justice and the Governor of Canada, etc. Mr. Minister I believe that you will render me the service that I ask of you in my letter at once for I have not money to live and I see my-

Re Minister of the Interior vs Henri.

Sir;-

I have the Honour, in further reference to the above matter, to enclose herewith the following documents with extra copies thereof for the file of the Department of the Interior;-

(1) Certified copy of Judgment of His Honour Judge Morrison 20 the December,1921.
(2) Certified copy of Writ of Execution issued herein.
(3) Certified copy of Order for sale with additional costs herein.
(4) Copy of Plaintiff's Bill of Costs as taxed by the Clerk of the Court in Edmonton herein.

I am sending these with the request that you will take up with the Department of the Interior the matter of the payment into Court by that Department of the sum of $170.00, which I understand is the amount which was paid by Hepburn as representing the value of improvements effected by Henri.

In this connection I may say that on May 17th, 1921, my agents in Edmonton, Messrs. Lawson and Darling addressed a letter to the Assistant Secretary of the Department of the Interior advising him of this action and requesting that the money so paid by Hepburn be paid into Court in order to protect the costs of the plaintiff in respect to these proceedings against Henri. I am further informed that the Department of the Interior advised the Agent of Dominion Lands in Edmonton on May 30th, 1921 that upon the forwarding of Judgment and Bill of costs herein, the question of paying into Court the money collected from Hepburn on account of improvements effected by Henri would be given consideration. For the reasons stated in my letter to you of the 10th instant it has not been possible to secure these documents until now.

As you will note, execution has been issued against Henri and certain of his chattels have been seized, but according to my information these are of no great value and the amount to be realized therefrom will not bring anything like the amount of the claim against Henri.

This, at present, and exclusive of sheriff's cost of (sale)

sale, which takes place on the 31st instant, amounts to $238.35 which amount is made up as follows:-

(1) Taxed costs on Notice of Motion and on subsequent trial	$199.25
(2) Execution exclusive of Sheriff's fees, poundage and other incidental expenses.	9.00
(3) Taxed costs on Order for sale	30.10
Total.....	$238.35

I would suggest therefore that the sum lying to Henri's credit on account of improvements effected by him should be paid in to the Clerk of the Court in Edmonton in order that this sum may be available to be applied on account of the costs of the plaintiff in this action.

When I receive a report on the outcome of the sale on the 31st instant I will advise you.

I have not as yet received the documents which were filed as exhibits at the trial but my agents have the matter in hand and when I receive them I will forward them to you.

When reporting on the outcome of the sale I will forward statement of my out-of-pocket expenses herein. These should be covered by the amount realized from the execution against Henri and the sum now to his credit with the Department of the Interior.

At the same time I will forward copies of proceedings herein in addition to those enclosed herewith.

~~Friend~~// EUGENE HENRI,

Defendant.

This was an application by originating notice issued under the provisions of Section 99 of the Dominion Lands Act calling upon the defendant to show cause for his occupance of the South West quarter of Section 16- in Township 57, in Range 26, West of the 4th Meridian,

At the close of the hearing adjournment was taken to allow counsel to submit written arguments.

The submission of these has only strengthened the view I formed at the trial that the defendant has neither law nor merit on his side.

No good purpose could be served by a detailed examination of the evidence and insofar as any finding of fact is called for, I would ~~epitomize~~ simply compress it with a general statement that I find against the defendant on every point; neither do I accept his evidence as a whole.

There will be an order for the defendant's summary removal from the lands described on direction to him forthwith to vacate and abandon it and to cease using, possessing or occupying it and to deliver up possession of it.

The Plaintiff is entitled to his costs.

S.S.B.-I-2-21-...tt...

I beg to acknowledge receipt of your file above mentioned, together with a [illegible] letter of the 14th inst. addressed to the Deputy Minister of Justice, and copies of the enclosures therein referred to.

The Board has been asked to deal with your Department, in matter of payment into Court of the sum of $[illegible] referred to in the [illegible] of Mr. Staples' letter.

You will notice from the [illegible] of Mr. Staples' letter that this payment into Court was requested of your Department by Mr. Staples' agents in Ont., but that they were advised that upon the completion of payment and [illegible] of costs, the petition of Verri to [illegible] the money allotted from [illegible], the soldier, on account of his vested rights effected by Verri, [illegible] Minister, would be given consideration.

I believe that the enclosures would be sufficient to warrant the attention of your Department to the request made, and I would ask that the request be given favourable consideration.

Yours very truly,

Copy for Mr. Hume.

Sir,

Re S.W.¼ 16-57-26, W.4th M.

I am to acknowledge your letter of the 15th instant, file #84587, enclosing the Departmental file No. 12157-A, in connection with the quarter-section above mentioned, the homestead of Mr. Wendell H. Hepburn, to which ~~are~~ attached copy of a letter from Mr. M.H.Staples, Barrister of Calgary, with stated enclosures, in regard to the action under Section 99 of the Dominion Lands Act brought by the Minister of the Interior as representing the Soldier Settlement Board of Canada against Eugene Henri to dispossess him of this land.

On looking over the file I observe that a number of documents are missing and it is assumed that same have been removed as material evidence in the case. It is not understood why this was done, in fact the procedure was not only unnecessary but a breach of confidence on the part of the person to whom the file was entrusted. It is thought that certified copies of the missing documents should have been sufficient for the purpose for which the originals appear to have been removed and I must ask you under the circumstances to be good enough to take the matter up at once with Mr. Staples with a request that the said documents be returned to the Department under covering letter; certified copies thereof being retained, if necessary, in lieu thereof. As far as can be ascertained, the following is a list of the documents which have been taken from the file :-

✓ (1) statutory declaration executed by Eugene Henri registered under reference No. 3709138.

✓ (2) statutory declaration executed by Eugene Henri registered under reference No. 4097672.

✓ (3) report of Homestead Inspector McCowan registered under reference No. 4248123.

✓ (4) report of Homestead Inspector McCowan dated 12th March, 1920, (apparently no reference No.).

(5) declaration of abandonment of Douglas L. Hepburn relinquishing the quarter-section in favour of his

✓ brother, Wendell H. Hepburn, under reference No. 4358540.

In

S. Maber, Esq.,
Secretary,
Soldier Settlement Board,
OTTAWA.

In addition to the foregoing documents possibly others are missing, but the Department cannot certify correctly as to this but should it transpire that there is record of other documents it is expected that same will be returned with the above, as being the property of the Department.

I might add that as a rule it is contrary to our practice to allow papers to pass out of the possession of the Department, and under ordinary circumstances, if it is necessary that papers on file at Head Office are required to be produced in court as evidence, it is necessary to subpoena the Agent of Dominion Lands for the district to whom the file of papers is then sent for safe-keeping and production in Court, provided the papers do not leave his possession. An exception to the rule has been made in this case in view of the fact that Eugene Henri was being prosecuted through the instrumentality of the Soldier Settlement Board, and I must, therefore, ask you to do your utmost to secure the return of the papers without unnecessary delay. Since this matter will necessitate your communicating with your agent, Mr. M.H.Staples, it is suggested that you point out that when Mr. Douglas L. Hepburn tendered payment of the sum of $170.00 for improvements on the land, being in accordance with the valuation of a Homestead Inspector, such improvements become his property, and since he abandoned the property of his brother, Wendell H. Hepburn, and that, therefore, the Department will not be in a position to pay this money into court for disbursement if the Order for Seizure is held to attach the improvements on the land other than Henri's personal effects, that is to say, those fixed or movable improvements of which Wendell H. Hepburn is by virtue of the payment of $170.00 the lawful owner.

The following make up the sum of the improvements above referred to, with the necessary reservations in view of the removal from the file of the Homestead Inspector's report containing the particulars :-

House.....	$125.00
Stable.....	5.00
500 fence posts.....	15.00
Hog pen, hen house, log shed.....	5.00
4 acres partly cleared and possibly broken some years ago (no evidence on file as to value but assumed to be).....	20.00.

Re: W. H. Hepburn
Re: S.W.¼-16-57-26-W.4th.M.
Your File No. 12167-A.

I would advise that your request that the absence of documents from the above noted file be taken up with Mr. Staples with a view to their return is being complied with. Further in this connection, I would advise that the Department of Justice, in a letter dated 16th ultimo to the Board, advised that Mr. Staples would be applying in due course to the Court to have these documents, which are filed as exhibits, returned to him for his return of them to Ottawa.

Apparently the improvements, on account of which payment was required, were made by Eugene Henri, whose entry was subsequently cancelled. After cancellation, this man wrongfully entered into possession and wrongfully remained in possession and made use of the premises to the detriment of the person then entitled, Wendell H. Hepburn. As a consequence of his infringement of Hepburn's legal rights, Hepburn and the Crown have been put to considerable expense; Hepburn as well to much inconvenience. In these circumstances, it would seem that some means should be found whereby the $170.00 now in your hands should be used to reimburse Hepburn and the Crown, represented by the Board. Certainly, it should not be repaid to Eugene Henri.

Yours truly,

Mr. Minister of the Interior,

I take the respectful liberty of communicating to you that I refuse to leave my land seeing that you sold my property which belonged to my wife and children as well as myself. I have applied to the Minister of Foreign Affairs telling him the deeds committed through your power, that you have confiscated my all and I have asked him to go to the Court of Appeal to make him see that your interpretation was detrimental to me I have proved that I was all right and that I had the building and breaking. Be above classified, and then I have the receipts that I have paid for the lumber for my house this to Start at Edmonton and for the kitchen land. When it is to these that I have worked have like a dog for my family and after as we were getting on you came to confiscate my cows. I see well I have all the papers that are necessary to defend my case. I have the receipts for the School Taxes for Hull, I have the receipts for the road tax. Then I have proof at the Court of Criminal the improvements and that I have never received notice that my land was cancelled. Therefore it is for the other that who are in default, seeing that you tell me that I will be paid for all my improvements, well make them pay the same if Sir and then I will leave the place but to use force it requires public force as I have cursed all my family and His Majesty Albert, King of the Belgians, that I wish to call for my arrest before being able to remove from my dwelling and I think that nurse go before all.

Therefore, Mr. Minister, I ask you to take note of what I am writing you for I am going to tell you some things that you do not know. Your good soldier who cancelled me has never been forced to do that things that you have made my wife and children do, which you will hear

ulked about before long and you have only to ask for the file of 1914 and you will see very well that I hold a letter from the Government which is addressed to Jilain Henri and you will see very well that Immigration valued my house at $465 in 1914, therefore then you wish to steal from me giving me $150 as it was deposited at the Dominion Lands Office, E. I refuse your money and I warn you that I wish a decision and justice from the Minister of Fiscal Affairs. Therefore I ask you that I may go to Belgium and that I keep the key for my house and that I leave all my furnishings in your care and if there is anything lacking it will be at your cost.

Accept the salutations of

Your servant,

Dear Mr. Minister of the Interior, Why have you expelled my family and still my cattle. I have a letter from the Government to prove to you that you could not expel my family or me that I was fined the 4th September, 1914 and put in prison until the 23rd November, 1914. Since that date you have made formal promises to send me back my family. I have the papers from the Government of Canada and from the Minister of Justice and from yourself from Immigration that will show that I wished well to defend myself in the court against all the deeds committed under your power and that I wished to leave for the war to fight for my country. I think though you will consider my letter, as for me I would like as soon as possible that the Minister have the board for my family which has been charged to me paid.

MEMORANDUM:

Ottawa, 4th March, 1922.

COMMISSIONER

Mr. Hume

Re S.E. 1/4 16-42-26, W.4th M.
Homestead - Wendell H. Hepburn
Entry granted 5th May, 1920.

This is the case of Eugene Henri of Alcondale, a native of Belgium but a naturalized British Subject.

The essence of the matter is that Henri lost his entry in November, 1919, after which he returned to the land and refused to give up possession although re-entry had been granted to Douglas L. Hepburn who later abandoned in favour of his brother, Wendell H. Hepburn, the present entrant; Douglas L. Hepburn paying $170.00 for improvements.

Wendell H. Hepburn having purchased land under the Soldier Settlement Act and a charge having been created against the homestead on that account, the Soldier Settlement Board recently took legal proceedings in the District Court at Edmonton and obtained an Order for Henri's ejectment, which has been carried out. The costs of the suit have been awarded in favour of the plaintiff (the Minister of the Interior as representing the Soldier Settlement Board) and application has been made to the Department for payment into court of the sum of $170.00 collected for improvements.

It was further ordered by the court that the Sheriff should seize such of the goods and chattels of Eugene Henri on the land in satisfaction of the claim. This appears to have been done although there is some uncertainty as to exactly what is meant by the term "chattel" and whether in pursuance of the Order any of the improvements paid for by Hepburn, and making up the sum of $170.00, have been removed. In order to clear up this point it will be necessary to detail a Homestead Inspector to report and I would recommend this should be done at once.

It is clear that if any portion of the improvements paid for by Hepburn have been removed under the Order of the court, the Department would not be justified in charging Mr. Hepburn for same, in other words, he should only pay for what improvements are on the land when he obtains possession and if the improvements now on the land are less than $170.00 in value he should be refunded the difference.

Total costs appear to have been assessed at $238.35, and I think the Department should

recognize

recognize the Order of the Judge to the extent of paying into Court the balance available for refund to Henri after adjusting any question that may arise as to a refund in favour of Hepburn previously explained, provided a statement is furnished by the Court as to the amount already paid in from the proceeds of the sale of the goods and chattels seized under the said Order.

Mr. Henri appears to be now living at the Y.M.C.A. at Edmonton and has formally notified the Department of his intention to return to Belgium and take up the matter of the loss of his homestead and the manner in which he has been dealt with by the Canadian authorities with the Belgian Government through its Minister of Foreign Affairs. In the meantime he serves formal notice on the Department that he absolutely forbids any person entering his house during his absence in Belgium and until the return of his family with him.

It might not be considered necessary or advisable to take cognizance of these representations at this juncture but if Henri makes good his threat the Department may eventually be called upon to furnish a statement of the case justifying the action taken. Although Henri does not bear a particularly good record, nevertheless he is a British subject and unless and until his Certificate of Naturalization is revoked (which matter is now in the hands of the Immigration Department) he is presumably entitled to a fair trial and this I believe was given him. The entry which he made on the 25th March, 1912, was cancelled by default on the 27th November, 1919, and re-entry granted to Douglas L. Hepburn on the 13th December, 1919. Messrs. Robertson, Winkler, MacDonald & Hawe, Barristers of Edmonton, on the 7th January, 1920, wrote the Department on behalf of Eugene Henri on the grounds that their client had received no notice of intention to cancel his entry. As a matter of fact, no notice of this was ever issued to Henri; cancellation proceedings being revived and cancellation carried out without notice in accordance with your recommendation on the memorandum of the 31st October, 1919, marked. Henri took possession of the land on the 10th February, 1920, and refused to vacate under any circumstances and legal proceedings for his ejectment were the outcome.

Henri has served a term of imprisonment some years ago for theft and granting that he may not be a desirable settler in many ways, it is nevertheless my opinion that the Department might find it difficult to justify its somewhat arbitrary action in cancelling the entry without notice or giving Henri a final chance. I suggested some such line of action in my memorandum of the 8th March, 1920, but the solution suggested therein was not considered in any way.

Another

Another weak link in the chain is that while Douglas L. Hepburn's entry could not be contested on any grounds, that of his brother, Wendell H., might be on the grounds that Henri was in actual residence when he, Wendell H. Hepburn, obtained entry on the 5th May, 1920, and declared that there was no one residing on the land. These facts may not be material in the light of the present position of the case but I thought it would be advisable to touch thereon in passing.

Sir,

Re S.W.¼-16-57-26-W.4th M.

I am to acknowledge your letters of the 12th February last and one written subsequently but undated and with particular reference to the subject matter of the latter would say the Department cannot admit or recognise your right to forbid anyone, properly authorised, going into residence on your former homestead, the quarter-section above mentioned. The cancellation of your entry has been confirmed and you have no further interest therein.

With regard to the question of compensating you for improvements, which matter was touched upon tentatively in my letter to you of the 10th May last, I may say that the Department has been called upon to recognise an Order issued out of the District Court of Edmonton for the payment into Court of the amount collected for these improvements, to be used in defraying the costs of the litigation consequent upon your refusal to give up possession of the land.

Assistant Secretary.

Your file, S.S.B.No.84587.

I am to acknowledge your letter of the 23rd February last and note the disposition that has been made of the documents removed from Head Office file No.12157A of this Department and the promise that same will be duly returned as soon as the District Court at Edmonton, in which they were filed as exhibits, give same up.

With regard to the improvements and the question of the recognition by the Department of the Order of the Court that the amount of $170.00 collected from Mr.Douglas L.Hepburn on that account should be paid into court towards defraying the costs of the suit, I wish to point out that if any portion of the improvements on the land have been removed under an Order of Seizure, it follows that there would be a refund due Mr. Hepburn, otherwise he is paying for something that he may not come into possession of finally.

It is proposed to detail a Homestead Inspector to report as to the present improvements on the land, it being understood that such goods and chattels as are seizable under the Order, have been removed, and to charge Hepburn for the present improvements on the land only. Of course should an adjustment be necessary, if there is any sum available at the credit of Eugene Henri, the Department would be willing to recognize the Order to pay the amount into court in part settlement of the claim.

You will be further advised in the matter in due course.

Sir,

Re S.W.¼-16-57-26-W.4th M.
Eugene Henri.

It is understood that a Certificate of Naturalization as a British subject was issued to Eugene Henri while he was undergoing a term of imprisonment and the question arose as to the revocation of the Certificate and his deportation.

I believe this matter was taken up with you by the Immigration Department (file No. 850737 Imm.) some time ago, but that some difficulty had arisen with regard to the jurisdiction of the existing Courts of Justice.

Legal proceedings were recently taken to remove Henri from the quarter-section above mentioned, his homestead entry for which had previously been cancelled by default and it is understood that he intends returning to his native country, Belgium, to rejoin his family.

I am directed to ask you to be good enough to favour the Department with a full report as to what has since transpired in connection with the revocation of Henri's Certificate of Naturalization, and if no action has been taken yet, what course it is proposed to pursue in the matter.

The latest address of Eugene Henri according to our information is c/o Y.M.C.A., Edmonton, Alberta.

Ottawa, 10th March, 1922.

Sir,

Re S.W.¼-16-57-26-W.4th M.
Wendell H.Hepburn vs. Eugene Henri.
Agency file No.96189.

As you are probably aware, Eugene Henri was recently evicted from this land by legal proceedings and in connection with meeting the costs of the litigation an Order of Seisure was granted by His Honour the Judge in respect to certain goods and chattels, the property of Henri, on the quarter-section, besides which the Department has been requested to recognise the Order of the court for payment into court of the sum of $170.00 collected from Mr.Douglas L.Hepburn, the former entrant, for improvements on the land.

On the 25th September, 1919, you submitted a report by a Homestead Inspector in which the improvements on the land were apparently valued at $170.00 and since Mr.Douglas L.Hepburn paid for the same in accordance with this valuation when he filed and afterwards abandoned the land in favour of his brother, the present entrant, Wendell H.Hepburn, it follows that the Department could not very well recognise the Order of the Court without making an adjustment in regard to the improvements, for as Hepburn paid the full value of the improvements on the land same became his property and if any portion thereof were subsequently removed by Order of the Court to satisfy the claims against Henri, it will be necessary to have a fresh valuation of the improvements now on the land in order to determine exactly what improvements have been removed since the Inspector previously reported. This may entail a refund in favour of Mr.Hepburn or his brother.

Under the circumstances you will please detail a Homestead Inspector to make a careful report in the matter at the earliest possible date and his attention should be called to the necessity of referring to his notes in connection with his previous report assuming the inspection is made by the same official.

Assistant Secretary.

Sir:

I enclose herewith copy of a letter received from the Department at Ottawa with regard to the improvements on the S.W. ¼ of 16-57-26- W 4th M., which is at present the home stead of W.H. Hepburn. You will note that in August 1919 you valued the improvements made by Eugene Henri at $ 170.00, which amount was paid in full by W.H. Hepburn when he filed in December 1919. This entrant abandoned his entry in favour of his brother W.H. Hepburn, who now holds the land. If a portion of the improvements paid for in full by Mr. Hepburn were removed by Order of the Court to satisfy the claims against Henri, it may be necessary to grant a refund to Hepburn.

Re. W.H. Hepburn S. . 16-57-26. W.4th

Re. Minister of the Interior vs Henri.

Sir,-

I have the honor to advise you that I have received through the local office of the Soldier's Settlement Board a copy of the letter addressed by the Assistant Secretary of the Department of the Interior to yourself and dated the 17th of February 1922.

In reference to the documents referred to in the second part of this letter I would say as I pointed out in my letter to you of the 11th of January that it was necessary to produce these documents in Court as evidence at the trial. As judgment was reserved for some time, pending the submission of written arguments, it was necessary to leave these with the judge in as much as I had not foreseen the necessity of preparing certified copies thereof. I have written to my agents in Edmonton asking them to procure these documents but have not yet received them. I am again taking the matter up and hope to receive them without further delay.

I regret very much that I appear to have been guilty of a breach of confidence in this connection. You will recall that the file in question with instructions to take proceedings was forwarded direct to me by your department and I assumed that it was in order to produce for the purposes of the trial such evidence as might be material to the question at issue.

With reference to the latter part of the letter referred to above I would say that under the execution issued herein and which affected only the chattels of the defendant and not the improvements upon the land the Sheriff realized the sum of Fifty Seven Dollars ($57.00) only. The Sheriff's costs in respect to sale will amount to the sum of Fifteen or Twenty Dollars and as his charges in respect to seizure amounted to Thirty Five Dollars and Fifty Five cents.($35.55) the net amount to be realized from this source will not be large.

As the disbursements in this case have been considerable and these costs have all been incurred through Henri's unlawful action in refusing to deliver possession, I would suggest that the money standing to Henri's credit with the Department of the Interior should properly be charged with these expenses. Otherwise Hepburn will have to pay over and above the amount he has already paid, the costs connected with this action. I would therefore request you again to take the matter up with the Department of the Interior pointing out that the exemption in question did not attach/

4657935

attach the improvements in respect to which Henri paid One Hundred and Seventy dollars ($170.00), and that it has been impossible to realize upon Henri's property the amount of the plaintiff's cost and requesting that, in accordance with the terms outlined in their letter of the 17th of May last to the agents of the Dominion Lands at Edmonton, they pay the said money into court to the credit of this action.

For your further information herein I am enclosing herewith statement in triplicate of my expenses in connection with this matter.

When the matter was submitted to me by your Department I was in the employ of the Soldier's Settlement Board and understood that my services in so far as the Department of Justice was concerned would be without charge.

On the 30th of June last, however, I terminated my services with the Board but prior to that date had arranged for the hearing of this cause during the month of July. As I had the matter well in hand, I felt professionally bound to go ahead and dispose of the cause rather than throw the matter up and put the Department to the expense of securing other counsel. Hence I attended in Edmonton on the 4th of July at the trial which occupied a whole day and submitted my argument thereafter.

While the matter had taken considerable correspondence since the hearing of the case by Judge Harrison as it has been necessary to forward all instructions relative to taxation of costs, payment of witness fees, issue of execution etc., through my agents in Edmonton, I had not thought of making any charge therefore although, to be candid, some payment for my services since the 30th of June would not come amiss.

In any event however I expect to receive refund with respect to moneys expended since the 30th of June. All expenses prior to that date were paid from my expense account with the Soldier's Settlement Board but should really be charged to this suit although, with the exception of the item of Forty Five Dollars and Seventy cents ($45.70) shown as of the date hereof and being in payment of service fees, they are not large.

In addition to the expenses shown in the enclosed statement, there will be the charges including fees and disbursements of Messrs. Lawson & Darling of Edmonton who acted as my agents in connection with filing of necessary documents, issue of processes, attendances upon sheriff, taxation and other routine matters. I have not received this statement as yet but anticipate that it would be in the neighborhood of Fifty Dollars ($50.00).

As I have pointed out above the net amount realized from the seizure of the defendant's chattels will not be over Forty Dollars ($40.00) so that it will be necessary to fall back upon the sum of One hundred and Seventy Dollars ($170.00) paid to the Department of the Interior by Henri in order to protect the Department in respect to the expenses incurred by,

by Henri's action in resisting cancellation.

I trust that with this explanation the Department of the Interior will see its way clear to pay the amount in question into court in accordance with my previous request.

I also enclose herewith for your information copy of argument as submitted by myself on behalf of the Minister of the Interior together with original memorandum prepared by myself from the file of the Department of the Interior and used in lieu of brief at the trial.

Trusting that this letter will clear up the matters referred to in the letter of the Assistant Secretary of the Department of the Interior.

I have the Honor to be,

Sir,

Your obedient Servant,

"W.H. Stapleton".

Dear Sir:-

Re: 12107-A.

Re: Minister of the Interior vs Henri

With further reference to the question of payment into Court in the suit of the Minister of the Interior vs. Henri of money in your hands paid on account of improvements on the land above mentioned, I would enclose herewith a copy of a letter addressed to the Deputy Minister of Justice by Mr. M. H. Staples, who acted as agent of that Department in the conduct of proceedings. You will note Counsel's statement that the costs which it is desired to cover by the payment into Court have all been incurred through Henri's unlawful action in refusing to deliver possession, and that unless the money in your hands is applied to payment of these expenses, Hepburn, the settler, will have to pay over and above the amount he has already paid (the sum already in your hands) the costs connected with this action.

I have just received the under listed enclosures, which are represented to be the documents referred to in your requests for return of the documents removed from the file. The enclosures herewith are as follows:-

1. Homestead inspector's report, ref. #424o123,
2. Affidavit of Eugene Henri, ref. #3709136,
3. Homestead inspector's report, dated March 12th, 1920, reference number not given.
4. Declaration of Eugene Henri, ref. #4097672,
5. Declaration of Abandonment, D. L. Hepburn, Ref. #43oo640.

The Department of Justice in forwarding the above to me, asks that they be advised as early as possible what position your Department takes with reference to the request that the moneys paid to the Department by Hepburn be paid into Court.

MEMORANDUM:

Mr. Hume.

S. W. 1/4-27-1f-w.4th mer.,
Kerri, A. E. - H. E. Entry.
Entry cancelled Feb. 1915.

The parties for the purpose of this appeal may be described as follows:

Emma Kerri is a native of Belgium but a naturalized British Subject.

Kerri's entry was cancelled in November, 1913, after title in Crown had vested in patentee.

In the meantime the Department for [illegible], Douglas A. Lepburn, purchased the land, the latter [illegible]; Douglas A. Lepburn paid $170 for improvements.

Pursuant to an order of the Supreme Court of Alberta, dated [illegible], 1914, the present action was brought by the Soldier Settlement Board against Emma Kerri and Douglas A. Lepburn, the latter [illegible] for the sum of $170 for improvements.

The present action, against D. A. Lepburn, is for the Soldier Settlement Act and a charge has been created against the property in that amount.

The Soldier Settlement Board took legal proceedings in the District Court at Edmonton and obtained an Order for Kerri's ejectment which has been carried out. The result of the suit here has been awarded in favour of the plaintiff (the Minister of the Interior as representing the Soldier Settlement Board) and application was made to the Department for payment into Court of the sum of $170 collected for improvements.

It was.....

It was further ordered by the Court that the sheriff should seize such of the goods and chattels of Eugene Henri on the land in satisfaction of the claim. As it was considered the term "chattel" might include the improvements on the land, instructions were given on Mr. Powell's memorandum of the 4th March, vested, to procure a Homestead Inspector's report.

The Secretary of the Soldier Settlement Board has submitted a communication from Mr. M. M. Staples, who acted as Agent for the Department of Justice in the matter of Court proceedings. According to the terms of his letter only the personal effects of Mr. Henri were seized, which will not realize more than $40.

Under the circumstances, you may approve that the instructions to the Agent to procure a Homestead Inspector's report regarding the improvements on the land at the present time might be cancelled as the same is not required in connection with the improvements pertaining the existing entry.

It is pointed out by Mr. Staples that the disbursements in this case have been considerable and the costs of the action have all been incurred through Henri's unlawful action in refusing to deliver possession, and Mr. Staples suggests that the money standing to Henri's credit with the Department of the Interior should properly be charged with these expenses, otherwise Ashburn will have to pay over and above the amount he has already paid, the costs in connection with this action.

The present entrant, Merrill H. Hepburn, did not pay anything for improvements, it being claimed that the same was a family affair and that he arranged with his brother regarding compensation for improvements on the land at the time he procured entry.

Mr. Henri did not bear a good reputation and was reported to be an undesirable character. His wife and family were deported to Holland and it was the intention of the Immigration Authorities to deport this man but in view of the outbreak of war it was not found convenient to do so. Henri had also been sentenced to serve a term of imprisonment for theft.

It was later ascertained that a Certificate of Naturalization had been granted to Mr. Henri, therefore, as he was a British subject, the order for deportation could not be carried out and his wife and family have been brought back to this country. In his letter of the 11th February last, Mr. Henri states he has brought his case to the attention of the Minister of Foreign Affairs and I would ask your perusal of the communication, which is somewhat lengthy. This aspect of the situation is dealt with by Mr. Powell in his memorandum of the 4th ultimo.

Cancellation proceedings were taken against Henri's entry on the 5th August, 1918, on behalf of Douglas L. Hepburn. He was given ample opportunity of placing his entry in good standing and after consideration of the Homestead Inspector's report, cancellation of the

entry....

entry was carried out and the Agent instructed to allow the applicant for irrigation the usual prior right of entry. Mr. Henri was not advised from the Department of the cancellation of the entry but it is the usual practice of our Agents to notify a settler on a form prepared for that purpose that cancellation of his entry is carried out and I think it is quite probable that this was done in this case. It might further be pointed out in this connection that until recent years it was not the practice of our Agents to send a copy of the said notice to the Department.

Agent might be asked to report on this point

A review of the evidence in this case would indicate that the Department was fully justified in cancelling the entry in question and the case is submitted for decision as to whether the amount paid by Mr. Henri for improvements, namely $170, is to be paid into Court to be applied on the costs of the legal proceedings taken for ejectment from the land.

his

Certain papers were detached from the Head Office file after the case had been forwarded to the Secretary of the Soldier Settlement Board for transmission to the Department of Justice should it be found necessary. These papers have now been returned under cover of Mr. Baker's letter of the 25th ultimo. I have checked these papers and find they are identical with the ones detached from the file. Therefore, your file of papers is now complete.

Mr. Baker asked the Department of Justice desire to be advised at an early date if possible what position this Department takes with reference to the request that the moneys paid to the Department by Hepburn be paid into Court.

Mr. Henri is not indebted to the Department for seed grain, fodder or relief.

SUMMARY.

This is the Hepburn-Henri case which is well known to the Department. There are three points arising at present:-

(1) Shall the money paid by Hepburn for Henri's improvements be paid into court to be applied on the costs of the ejectment proceedings? The Soldier Settlement Board is pressing for this action.

Under ordinary circumstances the $170.00 paid would be refunded to Mr. Henri direct on application by him, less Seed Grain and taxes, if any.

(2) The Agent of the Department of Justice states only Mr. Henri's personal effects were seized by the Sheriff under the execution taken out by the Soldier Settlement Board to cover the costs of the ejectment proceedings. This being the case, evidently nothing was seized that Hepburn had paid for, therefore no Inspector's report is required as to what was seized, and the Departmental letter of the 10th March to the Agent at Edmonton, might be withdrawn.

(3) As Mr. Henri has intimated his intention of filing a protest through the Belgian Government against the cancellation of his entry, it might be advisable to ask the Agent to state whether or not notice of the cancellation of Henri's entry was sent to him from the Edmonton Office. As suggested by Mr. Harris, possibly a notice was issued in accordance with the practice. For full details please see the memo by Mr. Harris underneath.

Re: Minister of the Interior vs Henri

I forward herewith for your information a copy of letter of the 21st ultimo addressed to the Deputy Minister of Justice by Mr. Staples, together with copies of its enclosures. You will note that owing to Henri's continued refusal to give up possession, an order has been issued committing him to gaol for contempt of Court.

In this case the Department of Justice and the Board are awaiting your decision in regard to the question of payment into Court of the moneys received by your Department from the above named, Hepburn. Henri's defiance of the Court's order and the consequent necessity for further disbursements should, I think, remove any doubt in regard to the merits of the request that the moneys be paid into Court.

Yours truly,

Your reference No.84587.

I am directed to acknowledge the receipt of your letter of the 20th instant to the Deputy Minister, also yours of the 4th idem with stated enclosures regarding the question of transferring the sum of $170.00 paid by W. H. Hepburn for improvements to be applied on the costs of having Eugene Henri ejected from the land.

In reply I may say that on receipt of your letter of the 28th ultimo the case was submitted and after a careful review of all the circumstances in connection therewith, it was decided to defer further action until in receipt of evidence as to whether the municipal and school taxes had been paid during the time Henri held entry for the land and the Agent of Dominion Lands at Edmonton was also asked to furnish information as to whether Mr. Henri was duly notified regarding the cancellation of his entry.

On receipt of the above information in the Department, your application to have the amount collected for improvements applied in connection with the costs of the prosecution to have the former entrant ejected from the land will receive consideration.

Re: W. H. Hepburn - S.W.¼-16-67-26-W.4th.M.
Re: Minister of the Interior vs Henri.

I would refer you please to my letters of the 20th ultimo and the 4th instant, written with reference to the request that the moneys paid to your Department by Hepburn, on account of improvements effected on the above mentioned land by Henri, be applied to payment of the costs incurred in the suit of the Honourable the Minister of your Department vs Henri.

Mr. E. H. Staples, solicitor acting as agent of the Department of Justice in this matter, has written, under date of the 5th instant, suggesting that it would be better if your Department would apply the moneys in your hands in this matter directly towards the payment of costs incurred in this action, in that by this method the possibility of complications, on account of other creditors, would be avoided.

Mr. Staples' letter referred to reads as follows:-

"
"In further reference to this matter I have just
"had a conversation with my agents in Edmonton from which
"I learn that some difficulty has arisen in respect to
"payment of sheriff's charges on amount realized under
"execution.
"
"It has occurred to me that it would perhaps be
"better for the Department of the Interior to retain the
"sum of $170.00 which Hepburn paid on account of Henri's
"improvements and apply same directly toward the payment
"of costs incurred in this action. It would seem to me
"that the Department would be justified in doing this in
"as much as the Minister of the Interior is the plaintiff
"in the action. This method would avoid possible compli-
"cations in respect to other creditors which may have
"claims or executions against Henri. When asking that this
"amount be paid into Court I had not foreseen this con-
"tingency.
"
"While this is possibly somewhat out of your sphere
"I am writing to you in hopes that you will be able to
"bring the matter to the attention of the proper Department.
"To be candid, I am somewhat confused as to the proper
"Department with which the matter should be taken up. You
"will understand however, that I should be glad to receive
"amount of my disbursements as stated in my letter of the
"31st ulto., as soon as possible and I should greatly

Deputy Minister,
Dept. of the Interior,
O T T A W A - Ont.

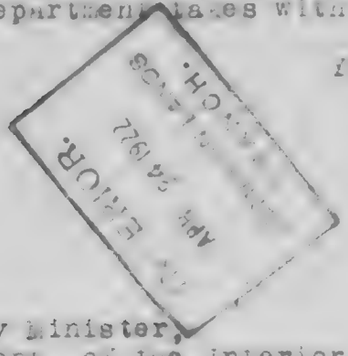

appreciate

"appreciate any assistance toward that end."

I would remind you of the following facts, brought to your attention in support of the request that the moneys in your hands should be applied to defray the costs of this suit; Henri, the original homesteader, persisted in remaining in possession after cancellation of his entry and after entry had been granted to Hepburn; the money in question was paid by Hepburn on account of improvements effected by Henri; in the ordinary course, your Department would be paying this money to Henri; Henri, as a result of his unlawful action in refusing to deliver possession, has caused the incurrence, in your name, of costs totalling $100.00 in this suit and, by his continued unlawful action in refusing to obey the Court's order, thereby requiring his committment for contempt, additional costs above the sum just mentioned. You will appreciate, I think, the fact that these costs were incurred in the name of the Honourable the Minister. If they are not paid by your Department, they will have to be paid by Hepburn, who will thus be required to pay approximately double the value of the improvements.

A reference to my letter of the 28th ultimo will show that the Department of Justice have asked that they be advised as early as possible what position your Department takes with reference to their request.

With regard to the question of compensating you for improvements, which matter was touched upon tentatively in my letter to you of the 10th May last, I may say that the Department has been called upon to recognize an Order issued out of the District Court of Edmonton for the payment into Court of the amount collected for these improvements, to be used in defraying the costs of the litigation consequent upon your refusal to give up possession of the land.

MEMORANDUM.

Mr. Hume:

S.W.¼ 16-57-26-W.4th M.

Entry granted 5th May, 1920.
Hepburn - Henri case.

This case was submitted in my memorandum of the 12th ultimo, and I would ask your perusal of the same for full particulars in connection therewith.

On your summary of the case the Deputy Minister asked for information as to whether the taxes assessed against Henri during the time he held the land had been paid and whether he was notified in a proper manner when cancellation of his entry was carried out.

The Agent of Dominion Lands, Edmonton, has now advised the Department that the usual advice on form #127 was sent to Eugene Henri on the 27th November, 1919, advising him of the cancellation of his entry. The notice was sent to him at Busby, Alberta, and was returned by the Postal Authorities marked "not called for".

The Secretary-Treasurer of Hazelwood Municipal District No.579, has furnished a statement showing taxes to have been paid up to and including the year 1916, nothing having been paid since that time. Eugene Henri is liable for taxes during the years 1917, 18 and 19 and the amount required to liquidate the same, according to the statement submitted by the Secretary-Treasurer, is $48.00 (no penalties are attached).

In connection with the Certificate of Naturalization granted to Henri the Under-Secretary of State has now advised the Department as follows:-

"In reply to your letter of the 10th "of March, 1922, No.12157A, I beg to inform you "that the Certificate of Naturalization granted "to Eugene Henri on the 17th of June, 1914, has "been revoked and cancelled by an Order of His "Excellency the Governor General in Council dated "the 31st March, 1922."

-Legal

Legal proceedings were taken by the Soldier Settlement Board to eject Henri from the land after re-entry had been granted.

The sum of $170.00 had been paid by the re-entrant for improvements made by Eugene Henri and the question for decision is whether, at the request of the Department of Justice and the Soldier Settlement Board, these moneys are to be paid into Court to liquidate the costs of the proceedings.

Mr. Henri is not indebted to the Department for seed grain or relief and under the ordinary practice he would be entitled to a refund less the amount required to pay the arrears for taxes.

We have no statement regarding the actual costs of the case and in this connection I quote an excerpt from a letter written to the Soldier Settlement Board by Mr. M. H. Staples, who acted as agent for the Department of Justice in the prosecution:-

> "as a result of his "Eugene Henri" un-
> "lawful action in refusing to deliver possession.
> "has caused the incurrence, in your name, of
> "costs totalling $106.60 in this suit and, by
> "his continued unlawful action in refusing to
> "obey the Court's order, thereby requiring his
> "committment for contempt, additional costs
> "above the sum just mentioned. You will
> "appreciate, I think, the fact that these costs
> "were incurred in the name of The Honourable
> "the Minister. If they are not paid by your
> "Department, they will have to be paid by Hepburn,
> "who will thus be required to pay approximately
> "double the value of the improvements."

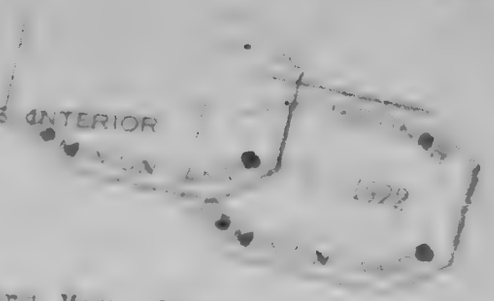

The Secretary of the Soldier Settlement Board in his letter of the 20th ultimo suggests that it would be better if the Department would apply the moneys collected for improvements directly towards the payment of costs incurred in this action as by this method the possibility of complications, on account of other creditors, would be avoided.

The case is submitted for consideration and further instructions in the matter.

Mr. Greenway.

In connection with this litigation, the Soldier Settlement Board, as representing the Minister, has incurred the expenses, amounting, I understand, to $214.35, and as the Board will have to meet this liability out of its own appropriation, I think it would be advisable to pay over the $170.00 collected for Henri's improvements to the Board to apply towards liquidating their agent's account.

Government funds are involved and it seems that it would be quite proper for us to appropriate this money which, under ordinary circumstances, might have been refunded to Henri, and to disregard the Municipal and School taxes.

I shall be glad to have your views on the point.

Re: Minister of the Interior vs Henri,
Re: W. H. Hepburn, S.W.¼-16-57-26-W.4th.

I have the honour to advise you that I have received an enquiry from my Edmonton agents, Messrs. Dawson & Darling, in respect to the payment of their account, copy of which was forwarded to you by me with my letter of the 24th ulto.

I would also call your attention to the fact that my own bill for disbursements in this connection forwarded to you on the 2nd March last and amounting to $106.60 has not yet been paid. At the time I forwarded the letter to you I anticipated that the amount paid in to the credit of Henri by Hepburn ($170.00) would be available for the payment of these expenses and would be paid into Court to the credit of this action. Since this amount does not appear to have been so paid into Court and since it has transpired that the amount is not sufficient to cover my own expenses as well as the account of Messrs. Dawson & Darling, I would suggest that the costs of this action should be paid either by the Department of the Interior or The Soldiers Settlement Board, applying thereon the amount standing to Henri's credit with the Department of the Interior.

As my account which represents disbursements only has been outstanding for some time I should be very glad indeed to have settlement thereof as soon as possible, and would greatly appreciate your prompt attention therein as well as in the matter of Messrs. Dawson & Darling's account.

Your Ref.-84587 Legal.

I am to acknowledge the receipt of your letter of the 26th ultimo with enclosures, with reference to the desire of the Soldier Settlement Board to have transferred the sum of $170.00 collected for improvements effected by Mr. Eugene Henry on the above described land, to be applied in connection with the expenses incurred in his ejection from the above land.

This case has received the attention of the Department and after submission it has been ruled that the Municipal and School taxes properly chargeable against the land during the time Mr. Henry held entry for the same are to be paid out of the money due Mr. Henry for improvements and that any balance remaining is to be paid over to the Soldier Settlement Board.

A statement of the School taxes which has been submitted is not satisfactory and the Secretary-Treasurer for the School District was recently communicated with and requested to furnish the Department with a detailed statement showing the amount properly chargeable to Mr. Henry's account, and on receipt of this information the necessary steps will at once be taken to disburse the moneys in the hands of the Department.

For your information I may say from the evidence before the Department payment of the Municipal and School taxes will absorb nearly the whole of the moneys collected for improvements and there will only be a small balance remaining for transfer to the Soldier Settlement Board.

Dear Sir:-

Re: Minister of the Interior vs Henri,
Re: W. H. Hepburn - S.W.¼-16-57-26-W.4th.M.

I have for acknowledgment your letter of the 12th instant, notifying that the Department has ruled that after deducting the municipal and school taxes properly chargeable against the land during the time Mr. Henry held entry, the balance of the sum of $170.00 collected for improvements will be paid over to the Board.

It is also noted that in your opinion the discharge of taxes will absorb nearly all of the $170.00 and that only a small balance will be left for transfer to the Board. In this connection it is felt that there cannot be such a large amount of municipal and school taxes outstanding properly chargeable to the ejected entrant, Henry. I have not before me information as to when Henry entered for the land in question, but at any rate he ceased to have any rights in the land prior to, or at least previous to, the 13th December, 1919, when entry to the land was granted to Douglas L. Hepburn, who afterwards relinquished his entry in favour of his brother, who is now a settler under the Board, and who obtained entry for the land on the 5th May, 1920.

It seems to me, therefore, that Henry was not properly chargeable for any taxes beyond the year 1919, and all assessments made subsequently would fall upon the present soldier settler and have to be paid by him or by the Board and charged to his account.

I mention this as it is desirable that as large a part as possible of the moneys collected for improvements should be transferred in order that it may be applied in liquidation of the solicitor's fees incurred in ejecting the former entrant, Henry. It is felt that while the Department of the Interior takes the position that it is morally obligated to pay the accrued taxes out of the moneys received for improvements yet, if a lien against these moneys existed in favour of the Crown, I think that the Crown's lien would be taken in preference to the claim of a municipality for arrears of taxes. The solicitor's fees are a claim against the Crown, as represented by the Board, and, for that reason, it would seem to be entitled to priority, save that taxes strictly chargeable to Henry might be deducted therefrom.

At the time a representative of your Department interviewed the writer, he gave me to understand that taxes were less than the sum of $50.00, and it was anticipated that sufficient

I am to acknowledge your letter of the 14th instant, file number 84387, and in reply I may say that since the representative of this Department discussed this matter with you, a further claim for taxes has been filed by the School District. However, the particulars were not sufficiently clear to enable the Department to determine what amount was actually chargeable to Eugene Henri on this account, and it was therefore necessary to refer the matter back to the Secretary-Treasurer for explanation. His report in the matter has not been received yet, but the taxes would appear in any event to be considerable.

Municipal Taxes, amounting to $48.00 for the years 1917-18-19 inclusive are about to be paid.

With reference to the policy pursued by the Department in deciding to recognize the claim of the Municipality in the matter of taxes, in preference to any interest which the Crown, as represented by the Soldier Settlement Board, might have in respect to the monies collected for Henri's improvements, I may say that the Minister himself decided that the claim of the Municipality should have the preference.

Explanation of foregoing:— This requisition covers the balance due Eugene Henri, a former entrant for the quarter-section above mentioned, for improvements on his former homestead. These improvements were valued by a Homestead Inspector at $170.00, on account of which $48.00 has been disbursed in settlement of arrears of municipal taxes and $19.71 for arrears of school taxes, leaving the balance named.

It was necessary for the Soldier Settlement Board to initiate litigation with a view to the removal of Eugene Henri from the land subsequent to the cancellation of his entry, in connection with which legal expenses have been incurred. The question arose as to whether or not the Department should recognize the claim of the Board in preference to that of the Municipality, and the Minister, to whom the matter was referred, decided that taxes would have to be paid. As stated, provision has been made for the taxes and the balance may, therefore, be remitted to the Board in part reimbursement of the expenses which they have incurred in giving the present entrant, a returned soldier, possession of the land.

Sir,

Re S.W.¼-16-57-26-W.4th M.
Homestead - Wendell H. Hepburn.

I am to acknowledge your letter of the 6th instant, file No. 68295-22, in which you request to be advised whether there are any circumstances which would entitle Wendell H. Hepburn, the present entrant, to claim freedom from payment of taxes assessed against his homestead during the years 1920, 1921 and 1922.

I may say in reply that the entry of Eugene Henri was cancelled on the 27th November,1919, Re-entry was granted to Douglas L. Hepburn on the 13th December,1919, who on the 5th May,1920, abandoned in favour of his brother, Wendell H. Hepburn - the latter securing his entry on the same day.

Whereas it would appear that Mr. Hepburn would be liable for assessment from date of entry, nevertheless, it may be noted that owing to the action of Eugene Henri in remaining in illegal possession of the land until his ejectment was obtained by process of law (March,1922), Mr. Hepburn apparently received no benefit from the land until Henri had been removed. However, as stated in the Departmental letter of the 25th July last to Mr. G.W.Hadigan, Secretary-Treasurer of Spring View School District, No. 1358, the responsibility for payment of taxes assessed during 1920, 1921 and 1922 is a matter for your Department to determine.

The application of the above named to purchase the above mentioned property has been referred to me for report.

The applicant has been in possession of the property for about two years and has made improvements to the value of $1,000.00. He has broken about 75 acres of the land and has a crop on it at the present time. He has paid one-third of the purchase price, namely $640.00, and has agreed to pay the balance in three annual instalments with interest at 5%.

Price was $1920 for 160 acres. He finally has paid one-third of the actual value of the land.

As his payments are not in default, I think the various performed on purchased land might be accepted.

MEMORANDUM:

Request for transfer of Dominion Lands.

Re: W. H. Hepburn - No.2049.
S.W.¼ 16-57-26-W.4th M. - Hed.

The above named settler secured advances from the Board totalling $4880., the Board taking a charge upon his unpatented homestead above described. Owing to such charge patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Hepburn requesting that patent to his homestead should be issued in favour of the Board. Mr. Hepburn states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 14th instant.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1321), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ of 16-57-26-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Entry granted - 5th May, 1920.

Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921, (P.C.1821).

This entrant has obtained advances on the security of the above land from the Soldier Settlement Board.

Amount:- $4880.00.
Purpose:- Not stated.

He has applied for patent claiming duties as shown on form #58A hereunder marked. Apparently his duties have been completed in a satisfactory manner and the application has been accepted, but in view of the above mentioned loan he was advised that patent for this land could not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 22nd ultimo the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issued in favour of the Board, and it is pointed out in this memorandum that this would enable the entrant to negotiate a sale of the land. A Vesting Order for the Minister's signature is attached.

It is suggested that the necessary action be taken to have patent for this land issued in the name of the Board.

S.W.¼ of Sec. 16 Tp. 57 Rge. 26 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

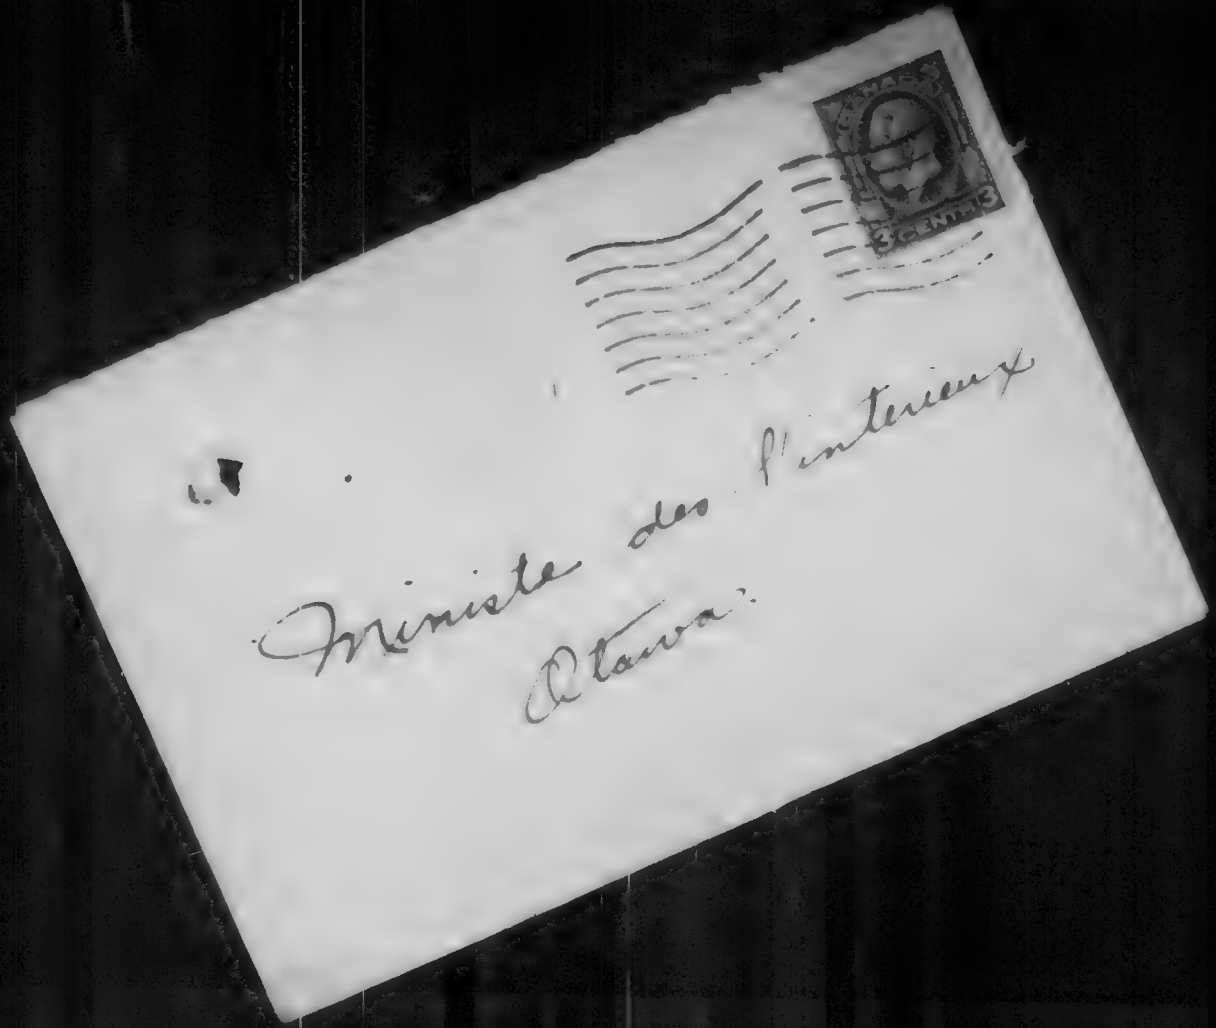

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Dear Sir:

RE: S.W. 16-57-26-W.4th M.

I have your letter of the 3rd instant, and in reply beg to state that there are no monies standing to your credit here for any improvements you effected on the above described quarter-section.

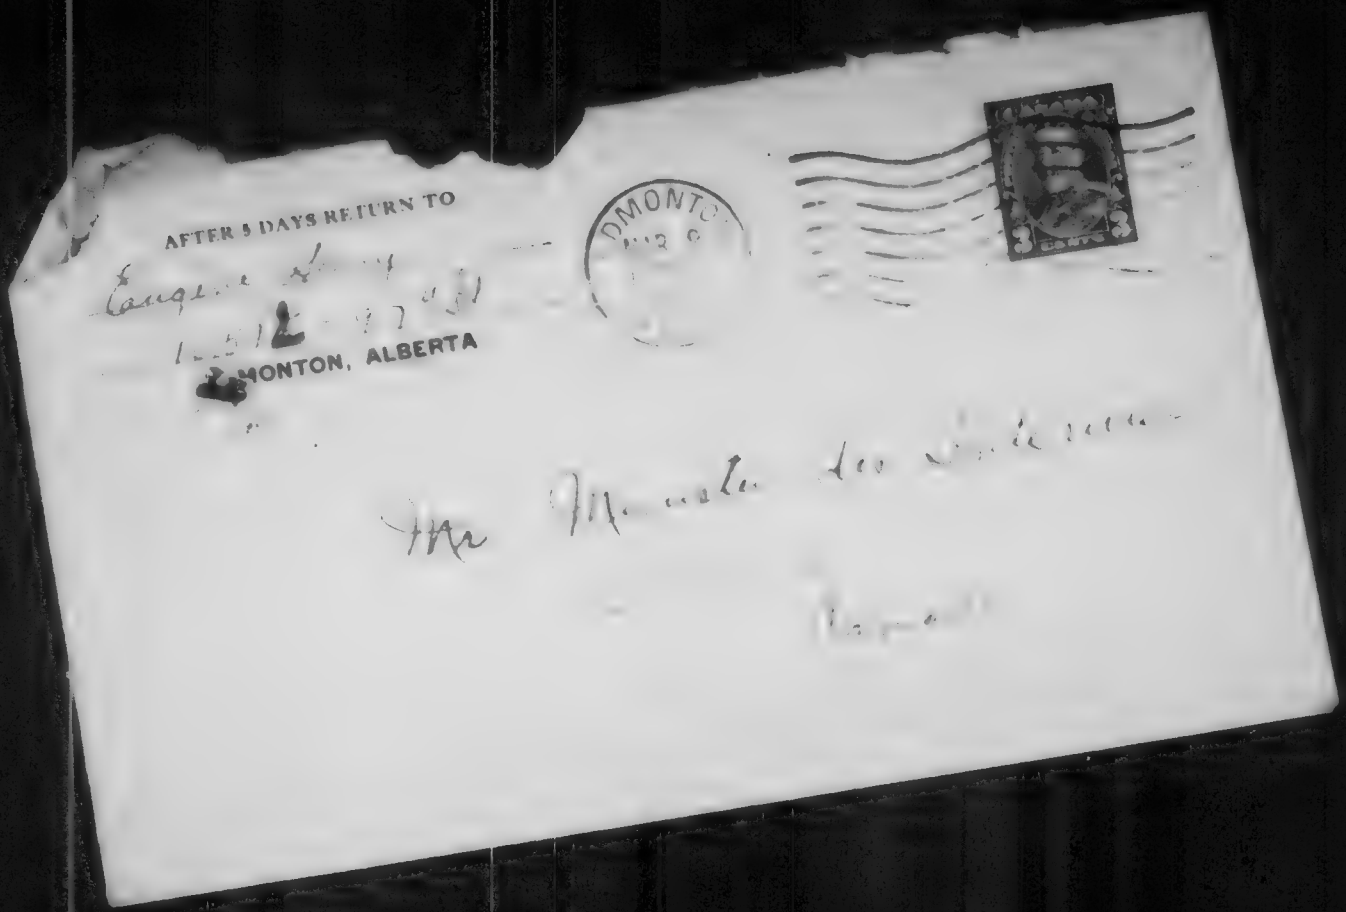

According to the evidence on file, on cancellation of your entry you left improvements on the land valued by a Homestead Inspector at $170.00. On evidence being filed that you were indebted for municipal and school taxes the sum of $48.00 was applied on your municipal taxes and the sum of $19.71 was applied on your school taxes.

It was established by the Soldier Settlement Board that they had to initiate litigation with a view of your removal from the above described land after the cancellation of your entry in order to allow one of their settlers who had acquired this land, to proceed with his homestead duties. The claim of the Board for expenses incurred was recognized and the sum of $102.29 being the balance paid for improvements left by you on the land was forwarded to the Secretary of the Soldier Settlement Board of Canada, bearing date of the 11th August, 1922.

Mr. the Minister of the Interior.

In answer to your letter of March 17th, I beg to tell you that I did not receive any money concerning the land I have given back and on which I have worked for 15 years. In the letter you sent me, you promised to pay me for all the improvements, and no such thing has been done. You wrote to me that you had asked the Land office to settle this matter and you tell me that these people are soldiers. I am well aware of it as I have a letter from the judge who tells me that he believes in God and does not want to do anything crooked. I had written a letter to you to tell you that I had some heirs and that you had disinherited them in stealing the salary of their father and their mother. I beg you to ask the court to give you the file and you will see the notes in it and the false oaths and the perjuries of all these people. I thank you very much for writing to tell me that they were soldiers. I warn you that if I do not receive an answer and if I am not payed within 15 days, I will give the papers to the communists and I will have this published in all the European newspapers and I will make trouble to the action against your country and my family will do the same in Belgium. I told these gentlemen that I was writing to you and that if I was not payed I would give them the papers on April 15th.

Yours truly,

Eugène Henry,
[illegible] - 97th St.,

P.S. I am writing at once to the Governor of Quebec to warn him as well as you. Do not forget that I have your promise.

Dear Sir:

Re: S.W. 16-57-26-4th M.

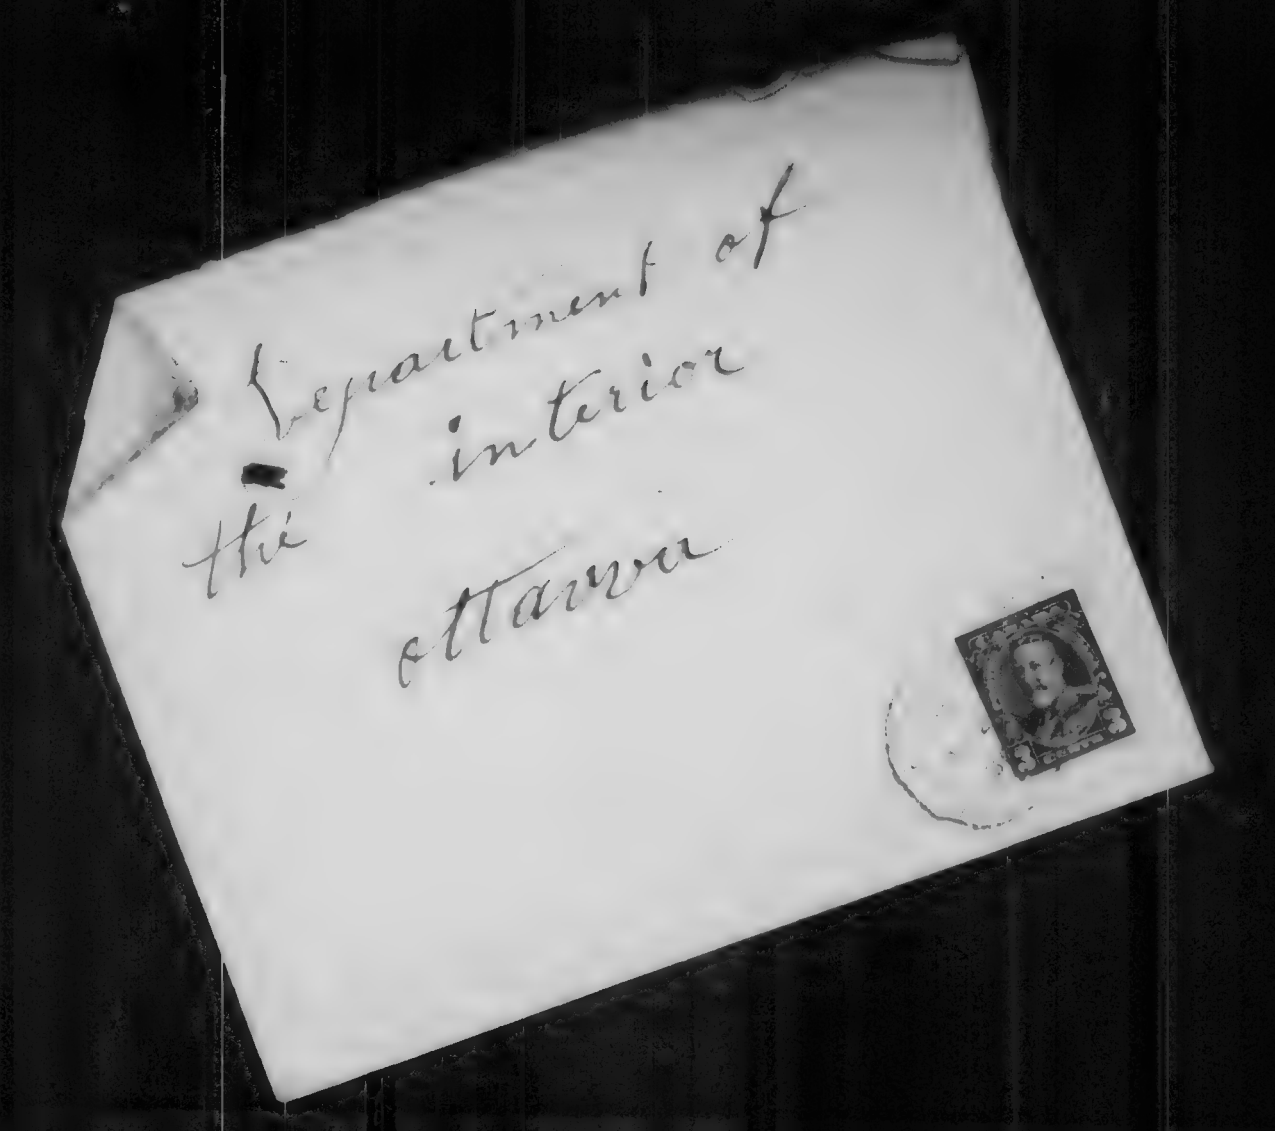

I beg to inform you that your recent letter addressed to the Honourable Minister of this Department has been referred to me for attention and a reply.

It is noted that you were advised on the 22nd January, 1936, and again on the 17th March, 1936, that there are no monies standing to your credit here. As previously intimated, on cancellation of your entry the improvements on the land were valued at $170.00. Of this amount $67.71 was applied on your Municipal and School Taxes and $102.29 was forwarded to the Secretary of the Soldier Settlement Board of Canada, bearing date of the 11th August, 1932.

Dear Sir,

In answer to your letters, I see you want to have fun of me but I tell you that it is a robbery to do the things that have been done to me, considering that I can prove to you that I have the receipts of all the taxes. Tell me where is the money? I have paid the school taxes of 1932 or. Sept. 5th, if you have not received the money it is up to you to make an inquiry and find it. I have here, before me, your letters from 1914 to 1936 to prove to you that it is an injustice and that my land belonged to me and my heirs. You tell me there has been a cancellation for $1.70. I can prove that I bought some wood from Clarque for $700. $50.00 for the house and $300.00 for the construction without counting the two kitchens, the stables, a wire fence and $1000 insurance on the house. Then 47 acres in cultivation, and tell why the court did not do me justice when people perjured themselves? This is an injustice. I have here a letter from the Consul General of Belgium who tells me that you wrote to him that it is I who sold all my property. Well I am forced to prove to you that it is all false and that your country has had a Belgium and French law to prove to you that I have three children robbed of all my belongings, my wife and three innocent children, and that anything. This is on your file and you must remember that you wrote in 1914 that my family and I could not be deported. Why did you not stop immigration? I beg you to note carefully what I have written to you. I will have it published immediately in the European newspapers and I want a copy of all my letters. This will make a nice magazine as your country has done worse things than the "bocles" and the "bocles" will be very glad to see me to receive the documents. Let your soldiers go and talk before the Belgiums, you will learn that you have signed papers with foreign countries.

Yours truly,

Dear Sir:

RE: S.W. 16-57-26-W.4th M.

Referring to your recent letter I am to state that as previously intimated, there are no monies standing to your credit here.

On cancellation of your entry you left improvements on the above land valued by a Homestead Inspector at $170.00. Evidence was filed by the Municipal District and the School District that you were indebted for taxes during your occupancy, and the sum of $48.00 was applied on your Municipal taxes, and an amount of $19.71 was applied on your school taxes. It was also ascertained that you were indebted to the Soldier Settlement Board, and in view of a claim filed by them for an amount of $102.29 a cheque for this amount was furnished them. You will see that this makes a total of $170.00.

I am enclosing for your information a copy of a Statement received from G. W. Hadigan, dated the 27th June, 1922, to the effect that you were indebted to the School District for an amount of $19.71. A cheque, in view of the Statement, for this amount was forwarded to the Secretary-Treasurer, Spring View School District, No. 1358, Busby, Alberta, on the 11th August, 1922. I might add that you were not called upon to pay the school taxes which accrued during the years 1920, 1921 and 1922, as the new entrant accepted entry on the 5th May, 1920, it was a matter for adjustment by the Department of Education for the Province, as to whom taxes for the said years should be assessed.

I trust that this information satisfactorily establishes the fact that the sum of money in question was only paid after the Department was advised by the School Authorities that you were indebted for same.

It would, therefore, appear that if you still consider that you were over-taxed during the time you held this land under entry you should take the matter up with the School District.

Yours very truly,

Director.

Mr. the Minister of the Interior,

In answer to your letter of Aug. 20th, 1936, which I have just received, I wrote to the Parliament and they answered me that all you had done was pure robbery. M. Wendal H. Hepburn paid the school taxes at Cosby in 1919, so my land was confiscated in October, 1920, and with all your letters and telegrams I can prove that all you have done is crooked and I have the papers from the Justice of the Peace at Morienville who came to seize my cattle in 1922 for school taxes and you can see that I have received $1.65 from $65.61 and I am told that this money has not been received by the Council at Cosby so that all you tell me in your letter is false.

I ask you for the last time, will you pay me. Yes or No, and have the thiefs arrested immediately. As for me, I will act otherwise if you refuse. I have the letter of the Consul General of Belgium and yours to prove that he wrote to me, that your Department wrote to him, that it is I who sold the property. Answer immediately as I must leave next month.

Please accept the kind salutations of

Your Servant,

I went to the bank to get the papers,
I found the notice of the Judge Fred Baudré telling me that the Minister of the Interior had my cattle seized for the school taxes so that it is your Department who is responsible when it refuses to pay me and disinherits my children, steals my belongings and burns my building, you had me put in jail on false reports and you tell me it is your soldiers, but wait you will see the gallows in Paris working 24 hours a day. Answer me at once as I want to show what your country is doing all the time.

Dear Sir:

I am enclosing, herewith, Department of the Interior file 12157 A from which you will note that Mr. Henry has been informed on different occasions that there are no moneys standing to his credit here for any improvements he may have left on the above described parcel of land during the time he held the same under entry and which were paid for by a subsequent entrant.

You will observe that Mr. Henry has also been advised the manner in which the moneys paid for improvements have been disbursed.

Notwithstanding the fact that we have written Mr. Henry from time to time with respect to the disposition of the money which was collected from the subsequent entrant, it is apparent from his recent letter that he is not satisfied with the explanation and appears to be under the impression that the school taxes were previously paid and should not have been deducted from the amount collected for improvements.

Under the circumstances would you please be good enough to interview Mr. Henry and endeavour to get the matter straightened out.

Might I also suggest that you communicate with the Officials of the School District in which this land is located and with Messrs. Belanger and Dalfonds of Morinville to whom Mr. Henry claims he paid the taxes.

On file 121592A herewith is a letter in the French language, together with an English translation, from Mr. Eugene Henry, of Edmonton, in reply to Departmental letter of the 20th August last, hereunder.

Notwithstanding the fact that you have written Mr. Henry from time to time with respect to the disposition of the money which was collected from the subsequent entrant for improvements on his former homestead, the S.W.¼ 16-57-26-W. 4th M., it is apparent from his letter that he is not satisfied with the explanation and appears to be under the impression that the school taxes were previously paid and should not have been deducted from the amount collected for improvements.

Under the circumstances it would be well to send the file to Mr. Norquay, our Agent at Edmonton, and ask him to interview Mr. Henry and endeavour to get the matter straightened out. It might also be suggested to Mr. Norquay that he communicate with the officials of the school district in which this land is located, and with Messrs. K. C. 121578

Dear Sir;-

I have your letter of the 23rd instant, and while I have seen and taken a copy of the receipt held by Mr. Henri, I am of the opinion that he would not care to deliver his copy. It is possible, however that he might agree to a photostat copy of this document, which, if I can procure, I will forward for your examination.

I enclose a copy of the document he holds which I have certified as a true copy.

I might say that Mr. Daiphond, who called here some time ago, states he has no evidence on his records of this payment.

Your obedient servant,

A. Norquay,

The only suggestion I might offer is that he be called to Ottawa, his receipt be Photostated there and returned with Mr. Bellanger's writing. There is also to be taken into consideration, that if Mr. Bellanger did give him a receipt for monies he intended for appropriating, he might have altered his usual form of writing.

It was intended at one time to depart Mr. Henry. Why not now give him his freedom to do as he cut attaching thereto, the stigma of a reprimand. Mr. Henry is a fighter and will stremuously oppose any action where he thinks he is right, while I believe he would be amenable to reasona le suggestion if such were quietly disclosed with him.

I am returning herewith H. C. File 12187 A.

OTTAWA, 13th July, 1937.

Memorandum:

Mr. Turner.

RE: S.W. 16-57-26-W.4th M.
Cancelled Homestead,
Eugene Henry.

Eugene Henry, a subject of Belgium, filed on the above described land as a homestead on the 25th March, 1912, he failed to comply with the regulations and his entry was cancelled on the 27th November, 1919.

On cancellation of his entry the improvements were valued by a Homestead Inspector at $170.00, which amount was paid by a subsequent entrant; the money was disbursed as follows:

$ 48.00 for Municipal Taxes owing.
19.71 for School Taxes owing.
102.29 to the Soldier Settlement Board.
$170.00 Total.

Mr. Henry maintained on several occasions that he had already paid the School Taxes and was informed that this was a matter for adjustment by the Department of Education for the Province.

Recently Mr. Henry wrote to the effect that he had paid the money for his School Taxes to Messrs. Belanger and Dalfonds, Barristers, of Morinville.

The case came before the then Deputy Minister who instructed on the 15th September, 1936, to send our file to Mr. Norquay and ask him to interview Mr. Henry and endeavour to get the matter straightened out. He also stated that Mr. Norquay should communicate with the officials of the school district in which this land is located, and with Messrs. Belanger and Dalfonds of Morinville, to whom Mr. Henry claimed he paid the taxes.

Under date of the 24th March last, Mr. Norquay submitted his report. No action was taken on his report at the time of receipt in view of his statement that he was endeavouring to obtain a photostat copy of the receipt Mr. Henry obtained from Messrs. Belanger and Dalfonds when he paid his School Taxes. As Mr. Norquay is now on Superannuation it is considered advisable to submit the case with a view of ascertaining what action should be taken on his report.

MAY 18 ...

It.....

It would not appear that this Department should take any action towards establishing whether or not the money paid by Mr. Henry for School Taxes was or was not wrongfully applied. The school people furnished us with a Statement showing that Henry was indebted for an amount of $19.71 for School Taxes. Following the usual custom we forwarded this amount out of the available monies.

The question as to whether these taxes had been paid prior to the receipt of the tax statement by us would seem to be a matter between Henry and the School District. It was never our practice to enter into a controversy of this nature for if we had done so we no doubt would have created a dangerous precedent.

The question also arises as to whether Mr. Norquay's report should be forwarded to the Director of Immigration for any action he may desire to take. Before considering such action it should be noted that Mr. Norquay, then an Official of this Administration criticizes the then Department of Immigration by expressing the opinion that the said Department did not act in a very humanitarian manner.

We have no money available for refunds and I am inclined to believe that the case should be allowed to drop. Mr. Henry's plight is regretted but as stated the point in question should be considered as a private matter between himself and the School Authorities.

J. C. Cowan.

Dear Sir:-

I am returning herewith Grant to Lew Hutchinson of Duhamel, Alberta, covering two acres of a roadway in River Lot 34, Township 46, Range 21, West of the 4th Meridian, which was received in this office on the 30th day of January, 1925.

The most southerly 80 chains of this River Lot was granted to Mr. Hutchinson in 1906, reserving thereout 2.7 acres, more or less, for a roadway, as shown on plan signed by R. C. Wragge, Dominion Land Surveyor, on the 18th day of January, 1902 and of record in the Department of the Interior under No. 10758.

From information we have received from Mr. Hutchinson, it would appear that the road which should be retained by the Crown in the right of the Province is the one which you have described in land grant which we are returning herewith and that the road which should be abandoned is the one which is described as a reservation in 1906.

Yours truly,

Sir:

Pt. River Lot 34-Tp.46-21-W.4.M.
Low Hutchinson

On the 9th July, 1907, a patent for a roadway in the above mentioned river lot comprising two acres was patented to Low Hutchinson and was forwarded in the usual way to the Registrar.

The description in this patent reads "a roadway one chain wide, in River Lot thirty-four in the said Township, parallel to, North of and adjoining the South boundary of Section Nine, in the said Township and extending from the East to the West boundaries of the said River Lot."

It appears that this description was incorrect and the patent was returned to the Department and cancelled.

Under date of the 11th June, 1915, a new patent relating back to the date of the cancelled patent was issued in the name of Low Hutchinson for a part of the said lot comprising 2.07 acres. The description in the latter patent reads as follows:-"All that portion of River Lot numbered Thirty-four, in the Forty-sixth Township in the Twenty-first Range, West of the Fourth Meridian, in the Province of Alberta, in Our Dominion of Canada, taken for a roadway, being a strip of land one chain in width crossing the said lot as shown upon a plan of said roadway signed by R. C. Laurie, Dominion Land Surveyor, on the 18th of January, A.D. 1902, and of record in the Department of the Interior, under number 10756, containing by admeasurement two and seven hundredths acres more or less."

This information is forwarded to you in order that your records may be amended.

I lost one horse and an ox about a month ago, and have nothing plowed on my homestead, but had broken 7 acres on the other land I had, besides clearing 30 acres. Sir:

I beg to return herewith the application for patent of Mr. E. J. Eaden for the North East ¼ of Section 26, Township 48, Range 23, West of the 4th. Meridian, your reference 44443.

I am to inform you that the proof of ownership of the North West ¼ of 10 - 48 - 23 W. 4th M. as endorsed by you on the application is not satisfactory, I am to point out that in all cases where the homesteader has completed his residence duties on purchased land it is necessary for the Agent to certify on the application that Abstract of Title was produced or that one third of the total purchase price has been paid. In this case, as the homesteader performed two terms of residence on his purchased land and one term on his homestead, it must be shown in the application that two ninths of the total purchase price has been paid.

ENCLO.

I am also to call your attention to the fact that as the homesteader is proving up by stock and residing on purchased land, it will be necessary for him to have 80 acres of the homestead substantially fenced.

Sir,

With reference to your letter of the 4th ultimo, applying for the portion of the N.E.¼ of section 26, township 43, range 23, west 4th meridian, containing 144 acres, shown on the plan of survey as covered by the waters of Big Hay Lake, the remainder of such quarter section having been patented to you as a homestead, I am directed to inform you that under the present practice of the Department it is only in cases where the waters have wholly and permanently receded that the land formerly covered by water may be disposed of to the registered owner of the remainder of the quarter section, upon the latter filing in this Department an abstract of title obtained from the Land Titles Office, showing that he is the registered owner of the quarter section in question, together with a statutory declaration setting out therein that the land shown on the plan of survey as covered by water has become wholly and permanently dry land. A report from a Homestead Inspector is also required in all such cases.

Your request to be allowed to purchase the 16 acres comprised in your patented homestead and enter for a new homestead cannot, under any circumstances, be complied with, as you have already exhausted your homestead right and you are not entitled to a second homestead.

Gentlemen,

Replying to your letter of the 27th March last, in further reference to your enquiry respecting parts of Sections 24, 25, 35 and 36 of Township 47, Range 25, West of the Fourth Meridian, I beg to inform you that as you have been advised by the Commissioner of Dominion Lands, your application to acquire these lands cannot at present be considered as it has not been decided whether it will be advisable in the administration of these areas as Bird Sanctuaries to allow the use of the same for any other purpose.

With reference to your enquiry as to the possibility of acquiring the submerged portion of the S.E. of Section 36 of said Township 47, I may say that an application to purchase the parcel may only be considered upon evidence being furnished to the effect that the same has become wholly and permanently dry, when it would be in accordance with the present departmental practice to permit the registered owner of the patented portion of the said quarter section to purchase the balance thereof at a reasonable Inspector's valuation per acre. In the event, however, of the said registered owner being the original patentee, the Department would consider an application for the issue of supplementary letters patent free of charge.

Your letter of the 11th ultimo, making enquiry respecting the possibility of your acquiring the balance of NE. of Sec. 26, Township 48, Range 25, West of the 4th Meridian, in the event of Big Hay Lake being drained, has been referred to me.

In reply I beg to say that the Government of the Province of Alberta is making investigations relative to the drainage of this lake under the provisions of the Reclamation Acts of that Province and this Government.

I find from the departmental records that you received patent on Nov.8, 1911, for sixteen (16) acres of the NE. of Section 26, Township 48, Range 25, West of the 4th Meridian, which land you had entered for under the homestead regulations.

If Big Hay lake is drained, resulting in the reclamation of the NE. of Section 26, and if you are then the registered owner of the balance of this quarter section, you will be recognised by this department as having the right of obtaining free of charge patent to remainder (144 acres) of the said quarter section, when the disposal of the reclaimed land is being dealt with under the provisions of the Acts above referred to.

Re: N.S.4 Section 23, Township 48-23-4

Referring to your memorandum dated September 7 on file 14105 A herewith, Big Hay Lake which affects the quarter-section mentioned above was surveyed by H.M.R. Bours, D.L.S. in August 1915. He reported this lake to be shallow, the greatest depth of water about six feet, and the banks subject to great variation. We have no later information concerning it than shown by Mr. Bours on the third edition of the township plan dated October 31st 1916.

Adverting to your letter of the 17th October last, file No. 44443, addressed to Mr. Homestead Inspector Wynne, I beg to point out that your information and instructions were not in accordance with those contained in my letter of the 9th idem, relating to the application of Mr. Edward J. Sir:

I beg to acknowledge the receipt of your letter of the 22nd instant, file No. 14105 A., with reference to the report furnished by Homestead Inspector Wynne in connection with the application of Edward J. Kelley, to purchase the undisposed of portion of Legal Subdivision 10 of the N.E. ¼ of 26-48-23- W 4th M. It is noted that the Inspector states in his report that the land is all dry and is likely to remain so, and the part applied for is worth only the minimum price of $5.00 per acre.

Inspector Wynne is no longer in the service of the Department, and if a further report is required another Inspector will have to attend to it at a later date. In the meantime, however, I may say that you may safely assume that the Inspector is of the opinion that the quarter-section is permanently dry, and that he recommends the sale to Mr. Kelley of the portion applied for.

Gentlemen:

I am to acknowledge receipt of your letter of the 16th October last, in which you enquire as to the possibility of your being granted permission to obtain homestead entries on Section 36, Township 48, Range 23, West of the 4th Meridian.

I may say in reply that the reclaimed areas of Big Hay Lake are reserved pending the completion of negotiations between the Reclamation Service of this Department and the Government of the Province of Alberta with a view of the Province undertaking a permanent drainage scheme. It has been intimated that quite possibly under different conditions of precipitation the lake bed would fill up again, and as the permanent reclamation of all this land may only be assured by the construction of adequate drainage works, it is necessary to maintain the reservations on the complete quarter-sections affected by the lake bed, at least until the Provincial authorities have had an opportunity of stating their intentions in the matter. In the event of the Province undertaking a system of drainage, the land which may be permanently reclaimed thereby will be turned over to the Government of the said Province for disposal under their regulations.

However, in the case of marginal fractional quarter-sections, the balance of which are alienated from the Crown, the Department is prepared to consider applications to purchase areas of eighty acres or less, provided such fractional areas are shown by investigation to have been dry for three successive years.

I may add, it has been the practice in the case of lands reserved for drainage purposes, to consider applications for leases for grazing purposes, subject to the approval of the Reclamation Service, but in such circumstances the lease must contain a clause providing for cancellation on twelve months' notice. If you desire to acquire the land on these terms, you are at liberty to make formal application for a grazing lease in the usual way through the Agent of Dominion Lands at Edmonton.

Mr. Shanks, Asst. Director General of Surveys, has reported that the information in connection with the recent investigations is not yet available but is in preparation.

Kindly refer to township plan marked on file 4519738.

As parts of the above three quarter sections have been patented and the balance consists of accrued area or lake, I assume that the Agent may be instructed of the standing of the lands and that no disposition is to be made of the accrued areas, but that should he receive an application therefor he may refer the same to the Department.

Ottawa, 24th April, 1917.

[illegible]:

re N.½ of sec. 16-48-[illegible] - 4th Mer.

With reference to the letter directly beneath from the Honourable C. J. Mitchell enclosing an application from [illegible] Sparks, [illegible], on behalf of [illegible] for patent to acquire the accreted dried up land in the above described quarter section, I beg to report as follows:-

The land in this quarter section comprises, as shown on the attached sketch, comprising an area of 16 acres, was patented on the 6th November, 1911, to Thar[illegible] Soden as a homestead, the balance of the quarter section being covered by the waters of Pigeon Lake.

The lake was subsequently drained to such an extent that the whole of Legal Subdivision 1 and the [illegible] of Legal Subdivision 15 were shown as dry land within an increased area of 32 acres in the quarter section, as shown on the sketch attached to the memorandum dated the [illegible] February, 1916, referred.

In this letter, [illegible] Edward [illegible] Kelly files a statutory declaration setting forth that he was the owner of the said patented portion, and applies to acquire the balance. After an inspection was made [illegible] Kelly was advised that he might purchase the portion of accreted land in Legal Subdivision 1 at the rate of $[illegible] per acre on the usual terms, subject to his having filed here evidence of ownership of the patented and in the same quarter section.

As [illegible] Edward [illegible] Kelly did not take any further action towards acquiring the land, he was asked to state his intentions, and his solicitor reiterated that [illegible], the patentee, be given a free grant of the accreted area. The evidence of ownership required to be filed [illegible] has not yet been received, and consequently [illegible] further has been done in this connection.

According to the latest plan of survey of the township dated the [illegible]th November, [illegible], from which the attached sketch was copied, the quarter section in question is shown as having completely dried up thereby creating

[illegible]

[illegible]ery, [illegible],
Deputy Minister of the Interior.

an accrued area of 143.9 acres which is available for disposal, with the exception of [illegible] acres mentioned above, the reservation for drainage purposes which at one time covered the land having been withdrawn.

According to the practice of the Department sales are usually confined to areas not exceeding 80 acres, but, under the circumstances, the permission granted Mr. Edward J. Kelly might be withdrawn and all the accrued dried up land in this quarter section might be sold to Mr. C.J. Kelly, the present applicant, at a rate to be determined after inspection by an official of the Department, subject to his having filed here evidence of ownership of the patented portion of the said quarter section.

Respectfully submitted,

Controller.

Memorandum,-

Referring to your memorandum dated 25th Apri. file 4519738, the accrued lands mentioned in townships 49-22-4, 48-23-4 and 48-22-4 with the exception of the nort east quarter of section 26 are portions of the former bed c. Big Hay lake. The recession of the water of this lake appears to be partly due to natural and partly to artifici causes. R.W. Lendrum, D.L.S. who surveyed township 48-23- in 1903 reported that he was informed that some years previously during a dry spell persons had walked dry-shod ac the bed of the lake which at the time of his survey was covered with six feet of water. He stated that the lake co. be drained with little expense.

In 1911 an irrigation engineer reported that t water level had been lowered about three feet, owing to the deepening of the natural outlet by drainage operations.

In 1912 F.V. Seibert, D.L.S. reported that he found the lake to differ so much from that shown on the township plans as to warrant a complete traverse, although the elevation had not been lowered.

H.M.R. Soars, D.L.S. in 1914 reported that the water level was higher than seven or eight years previously owing to the fact that water had been drained into the lake faster than the outlet could carry it off. The lake was surveyed in 1915 by Mr. Soars and when the plan of township 48-23-4 showing his survey was issued in 1916, the areas of accrued lands in patented quarter sections were shown, the assumption being made that the recession was due to artificial causes.

In 1923 H.E. Pearson, D.L.S. surveyed the lake and found that the water had further receded. The latest editions of the township plans show areas of all accrued lands according to his survey.

Myriad lake in township 47-23-4 was investi ed last September by Mr. T.S. Nash who found that it had completely receded from section 36 and the north half of northeast quarter of section 25 with the exception of a few small water holes and that a good crop of hay had been cut the quality of which indicated that other crops had been g in previous years. No outlet was observed and it is thus impossible to state whether the recession was due to drai or to natural causes.

A large body of open water still remains on legal subdivisions 8 and 9 of section 25.

The water was observed to have receded from section 30 of township 47-22-4 but sectio n 31 was not investigated.

Dear Sirs.

Re 16 acres N.E. 26.48 23.4.

Please

My father purchased 16 acres on the above quarter section from E.J. Boden who homestaded same, but could only get the patent for 16 acres, when he proved up, as that was all that was dry at that time. My father also purchased his homestead right from him.

The last survey by Mr Pearson shows 160 acres dry on the above quarter. Now if my father E.J. Killy gets writing from Mr E.J. Boden. that he has purchased his mans homestead right from him will your Dept. be good enough to grant my father the balance of the 160 acres or 144 acres free of charge.

If this cannot be done will you kindly give Mr Boden the 144 acres for that he may transfer it to my father.

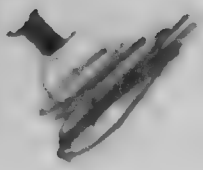

My father holds title for the 16 acres.

Hoping you can see your way clear to grant my father the additional 144 acres.

OTTAWA, 12th October, 1927.

Memorandum; H.J. Cody, Esq., I.S.O.,
Controller.

H.E. of 20--49--11, W. 4th M.

Mr. F.J. Roden, the homestead entrant for the quarter section above referred to was granted Letters Patent in November, 1911, for the portion thereof shown on the plan hereunder coloured red, [illegible] containing 16 acres.

In your letter of the 3rd May, 1919, to Messrs. Kelly Brothers, you stated that should an application be received to acquire the unpatented portion, the registered owner of the patented portion, should he be other than the original homesteader might be permitted to purchase at a Homestead Inspector's valuation per acre. It was further stated that in the event of the registered owner being the original patentee, the Department would consider an application for the issue [illegible] Letters Patent free of charge.

On the 19th May, 1919, the Director of the Irrigation Division of the Reclamation Service Branch advised Mr. Roden that should Mary Lake be included in the reclamation of the said quarter section and he, Mr. Roden, was then the registered owner of the patented portion, he would be recognized by the Department as having the right of obtaining free of charge patent to the remainder (144 acres) when it disposed of the reclaimed land would be dealt with under the provisions of the Reclamation Act.

The Reclamation Branch stated in its endorsation on your memorandum of the 20th January, 1919, that no objection would be offered to the disposal of any portion of the quarter section provided the land had been dry for three years.

In accordance with the decision as endorsed on my

memorandum....

memorandum of the 19th February, 19[illegible], Mr. Edward J. Kelley was granted permission to purchase the accrued land in Legal Subdivision 10, containing 14 acres, at the rate of $[illegible] an acre, conditional upon his having filed evidence of ownership of the patented portion of said Legal Subdivision 10, or in this case, of the patented portion of the said quarter section. Mr. Kelley has not complied with the departmental requirements.

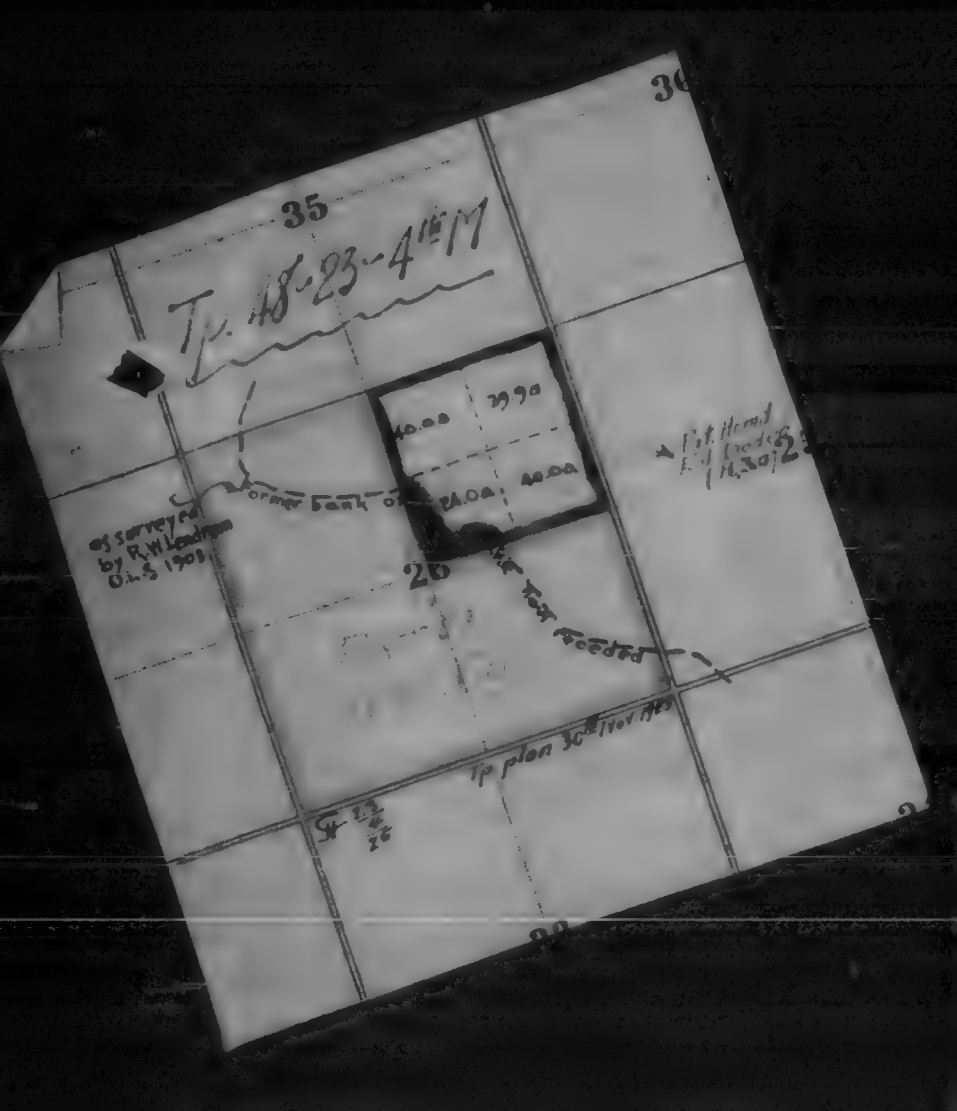

Messrs. Odell and Russell, who had acted on Mr. Kelley's behalf, enquired in their letter of the 11th June, 19[illegible], if in view of the fact that Mr. Boden, the original patentee, had sold the land to their client, supplementary patent for the balance of the said quarter section could not be granted Mr. Boden free of charge, having been advised that if they would have filed evidence that Mr. Boden was still the registered owner of the patented portion, the application would be given consideration.

The matter was referred to the Deputy Minister by your memorandum of the 14th April, 19[illegible], who, in his memorandum of the 14th May following stated that Mr. C.J. Kelley had been advised that if he would file here documentary evidence to show that he was then in control of the patented area, he would be permitted to purchase the accrued portion of the said quarter section at the Inspector's valuation of $[illegible] an acre.

Further correspondence has been carried on with Mr. Henry Kelley on behalf of his father, Mr. C.J. Kelley, and in his letter of the 25th August last hereunder, enquiry is made as to whether, should Mr. C.J. Kelley re-transfer the title to Mr. E.J. Boden, the Department would be prepared to issue patent to the latter free of charge.

I beg to recommend that in view of the special circumstances of the case, Mr. Kelley be advised that if Mr. Boden will have filed here an abstract of title or duplicate certificate of title showing him to now be the actual registered owner of the 10 acres in the said quarter section for which he was granted homestead patent, the issue of supplementary letters patent in his favour for the remaining area of 14[illegible] acres will be provided for.

I beg to invite your perusal of my memorandum of the 12th ultimo relating to the land above described.

In accordance with your endorsation thereon, Mr. Henry Kelley was advised by your letter of the 19th ultimo with respect to his application on behalf of his father, Mr. Edward J. Sir:-

With further reference to the application of your father, Mr. Edward J. Kelley to acquire the unpatented portion of the N.E.¼ of Section 26, Township 48, Range 23, West of the 4th Meridian, I beg to say that this matter has received further consideration and taking the circumstances into account it has been decided that the Department would not be justified in disposing of the land to your father upon his transferring the 16 acres of patented land in the quarter section to the original homesteader, Mr. E.J. Boden.

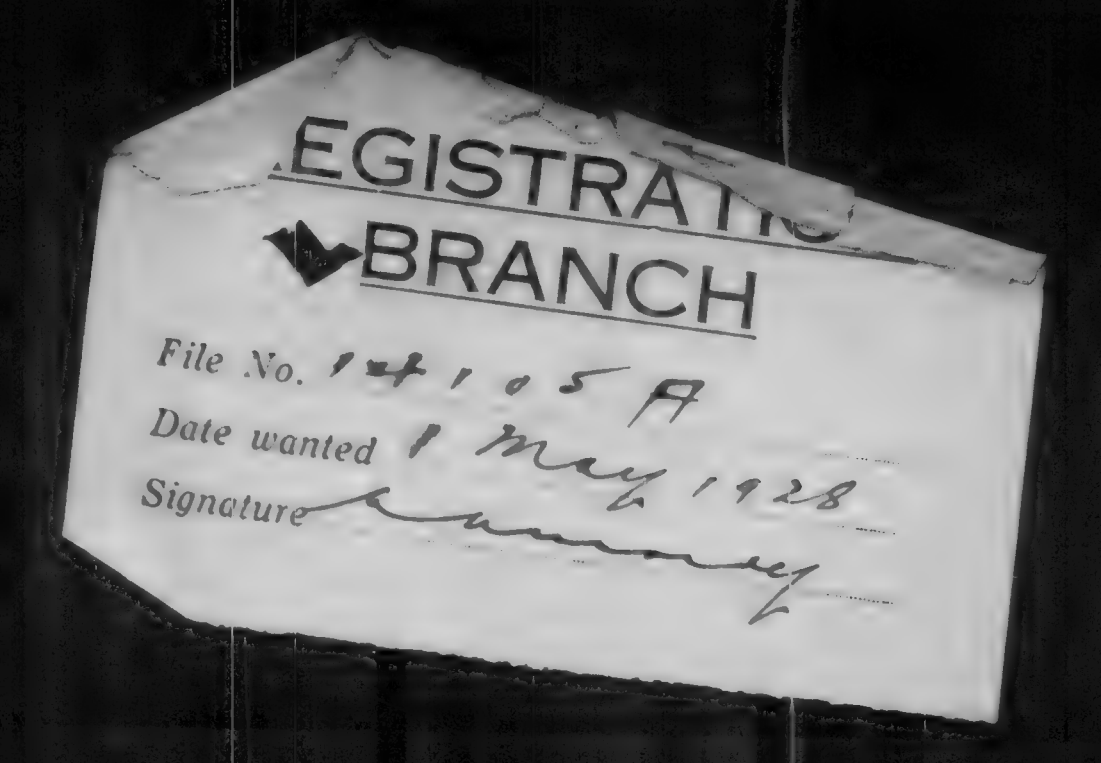

The only way Mr. Kelley may acquire the land in question from the Department is by sale and he, as the registered owner of the said 16 acres, may purchase the unpatented portion of the whole quarter section containing 143.9 acres, or if he so desires the remainder of Legal Subdivision 10 comprising an area of only 24 acres, or the unpatented land in the S.½ of the said N.E.¼ containing 64 acres, at the rate of $5.00 an acre, and on the usual terms of payment, namely, either the whole or one-fourth of the purchase money will require to be paid on or before a certain date which will be set by the Department. Interest is chargeable at the rate of 6% per annum but on any overdue instalments the rate to be charged is 7% per annum.

You should, therefore, advise the Department at your early convenience which of these areas your father may desire to purchase in order that a sale of the portion chosen may be consummated.

I beg to refer you to the departmental letter of the 6th March last on file No. 14105A herewith, addressed to Henry Kelley of Wetaskiwin, Alberta, wherein his father, Edward J. Kelley, was granted an option of purchasing the unpatented portion of the quarter-section above mentioned at $5.00 per acre.

August 9th, 1929.

Sir Mr. MacLeopall,
Deputy Minister's Office.

Sir,

Mr. Henry Kelley of Wetaskiwin, Alberta, has been in communication with the Department for several years in connection with the desire of himself and several of his brothers to obtain more land in the vicinity of Big Hay Lake in Township 46, Ranges 22 and 23, West of the 4th Meridian.

One of the brothers, Mr. A. J. Kelley, Junior, already holds part of the North East quarter of Section 24, the South East quarter of Section 25 and the South West quarter of Section 36, Township 46, Range 23, West of the 4th Meridian, under scrubbing leases as shown on the sketch attached hereto.

The North half of Section 16 and the West half of Section 21, Township 46, Range 23, West of the 4th Meridian, and the North West quarter of Section 24, South East quarter of Section 25 and the South West quarter of Section 36, Township 46, Range 23, West of the 4th Meridian are, together with the waters of Big Hay Lake, reserved for Public Shooting Grounds by Order in Council of the 9th March, 1922, and are, therefore, not available for disposal. Some of the lands bordering on the lake before the recession of the waters were patented and on the sketch you will note that those parts coloured 'yellow' have been withheld from disposal, as being the minimum area which will be required to settle the riparian claims of the patented owners.

On the 21st May, 1919, Messrs. A. E. and H. Kelley were advised that they would be allowed to purchase the formerly submerged portion of the West half of Section 36, Township 46, Range 23, West of the 4th Meridian, containing an area of 186.8 acres at the Inspector's valuation of $6.00 per acre. Also, Mr. A. J. Kelley, father of Mr. H. Kelley, was given an opportunity of purchasing the unpatented portion of the North East quarter of Section 36, Township 46, Range 24, West of the 4th Meridian, containing an area of 143.8 acres or, if he desired, the unpatented portion of Legal Subdivision 10 of this Section, comprising an area of 24 acres, at the same rate. They had

A. S. Matheson, Esq.,
Assistant Commissioner of Dominion Lands,
Edmonton, Alberta.

claimed in

claimed in each case to be the owner of the patented portion of these areas but, to date, nothing appears to have been paid by them in connection with these sales.

Mr. Kelley evidently wished to homestead some of the available lands and to be allowed to purchase the balance at the rate of $1.00 per acre. As the lands were, at one time, covered by an application for grazing by Mr. C. J. Kelley, he was advised that if they would relinquish this grazing application the lands would be posted for settlement purposes but he seemed to think that they should be given priority in this matter, which would not be in accordance with the practice of the Department. Consequently, no action was taken to meet their wishes and the Department had Mr. J. A. Hammerman furnish reports on the 18th November, 1926, and the 8th August, 1927.

Mr. Hammerman's reports indicated that, on the fractional section 31, Township 49, Range 25, West of the 4th Meridian, the North half of Section 25, the fractional South West quarter of Section 25 and the fractional South East quarter of Section 26, Township 49, Range 25, West of the 4th Meridian, there was considerable hay, which would justify the Department in disposing of the lands and that they should not, under any consideration, be disposed of for less than $5.00 per acre if a sale was to be considered.

Mr. Kelley is not satisfied with this decision and has communicated with the Department on different occasions, still pressing the claim of himself and brothers to acquire these lands.

It would, therefore, be advisable for you to have Mr. Albert Palmer make a careful investigation of the available lands, as shown on the attached sketch and furnish a report stating whether or not he considers the Department would be justified in disposing of these lands. He should interview Mr. Henry Kelley and take into consideration whatever representations he wishes to make. When interviewing him, Mr. Palmer might ascertain what steps it is intended to take in connection with the permission to purchase the fractional North West quarter of Section 26 and the West half of Section 25, Township 49, Range 25, West of the 4th Meridian, which certain members of the family were advised they would be allowed to purchase; it being pointed out to them that, if they do not take any steps to make at least a reasonable payment on account of the purchase price of these areas at an early date, the Department will be forced to consider the advisability of withdrawing the permission granted to them to purchase these areas.

Sir,

In connection with your application on behalf of yourself, your father and six brothers to purchase or homestead certain lands lying South and West of Big Hay Lake in Township 48, Ranges 22 and 23, West of the 4th Meridian, I may say that, after having a careful investigation of the lands covered by your application by an official of the Department, it has been decided to instruct the Agent of Dominion Lands at Edmonton to post for settlement purposes the North half and fractional South West quarter of Section 25 and the fractional South East quarter of Section 35, in Township 48, Range 23, West of the 4th Meridian. This official will be instructed to see that you are advised as to the date on which these lands become available in order that any of your family interested may have an opportunity of applying for homestead entry at the proper time.

In so far as fractional South East quarter of Section 35, Township 48, Range 23, West of the 4th Meridian is concerned, if anyone of your family is successful in obtaining entry for this quarter section, the area now held under grazing lease therein could be relinquished and included in the entry for this quarter section.

Mr. E. J. Kelley has been granted permission to purchase the accrued land in the North East quarter of Section 26, Township 48, Range 23, West of the 4th Meridian, having an area of 143.9 acres at the rate of $5.00 per acre and Messrs. E. M. and H. Kelley were allowed to purchase the accrued land in the West half of Section 35 in this Township containing an area of 125.3 acres at the rate of $5.00 per acre. Information, which has now been received in the Department, would indicate

that possibly this price is in excess of the true value of the lands and it has been decided to reduce the purchase price in each case to the sum of $3.00 per acre, the minimum price at which sales of Dominion Lands are made. Statements of the accounts will be forwarded to the parties interested in due course.

With respect to the other lands which you have included in your application, the Department is unable at the present time to consider your application for any of these lands which are not available for disposal.

Sir,

With reference to the correspondence which the Department has had with you in connection with the desire of your father to acquire the unpatented portion of the North East quarter of Section 26, Township 48, Range 23, West of the 4th Meridian, I beg to inform you that it has been decided to reduce the purchase price of this portion from $5.00 to $3.00 per acre, which is the minimum price at which lands are sold by the Department.

On the 29th March, 1923, your father was advised that he would be allowed to purchase the formerly submerged portion of Legal Subdivision 10 of this section and, at a later date, you were informed that, if he wished to acquire the balance of the quarter section containing 143.9 acres, he would be allowed to do so by paying for it at the rate of $5.00 per acre.

Under the circumstances, it has been decided to allow your father a further period of sixty days from this date within which to advise the Agent of Dominion Lands at Edmonton definitely as to whether or not he intends to proceed with the purchase of the formerly submerged portion of this quarter section at the rate of $3.00 per acre. You will note that, if he does not state his intentions and make at least a substantial payment on account of the purchase price, the Department will consider the advisability of withdrawing the permission to purchase which has been allowed.

I might add that payment can be made in full or one-quarter of the purchase price within the period of sixty days above referred to and the balance in three equal annual instalments with interest thereon at the rate of six per cent. per annum. Interest on overdue instalments will be charged at the rate of seven per cent. per annum.

In ans. to your letter of the 12th inst. in which you are granting my father 60 days to accept the above qtr. at $3.00 per acre. as in reserving permission. I beg to ask you in the meantime: If you would kindly consider position of the 143.9. acres of the above quarter, for a stock homestead. If you could see your way clear to do us this favour at once. my father might get the balance of the quarter a little cheaper as it really is not worth $3.00 an acre as stock homestead right. in writing in connection with the patented 16 acres of the above mentioned section. but as the 160 acres is not all dry at the time my father

5476544

purchased this same homestead patent -
as they your people had not given the origin-
al patentee a title for the 160 acres.

We also have a letter your Dept. wrote
Mrs Boolen the original patentee stating
when the quarter became wholly dry your
Dept. was prepared to issue patent for
the full acreage free of charge.

Naturally my father would like to get the
balance free of charge, since he purchased
Mr. Boolens homestead right.

Hoping you may see your way clear in
some way to help my father get this
143.9 acres free of charge, or as a

is not worth very much. just a

Sir,

I have your communication of the 17th ultimo in connection with the fractional North East quarter of Section 26, Township 48, Range 23, West of the 4th Meridian, which your father has been advised he would be allowed to purchase at the minimum price of $3.00 per acre.

It appears to be your father's desire to have the unpatented portion of this quarter section posted for settlement as a stock homestead. I might call your attention, however, to the fact that, if this land is posted, it will become available to the first settler applying therefor and, in case your father should not be the successful applicant, there would be considerable difficulty in delimiting the boundary between the portion already patented and the balance of the quarter section. Under the circumstances, it would appear to be inadvisable to post for settlement the unpatented portion but, if your father is willing to purchase the balance of Legal Subdivision 10 containing 24 acres at a valuation of $3.00 per acre, the Department is prepared to post for settlement purposes the balance of the quarter section, namely, Legal Subdivisions 9, 15 and 16. This will sufficiently protect the interest of your father in the portion for which he holds patent and prevent any complications should he be unable to obtain homestead entry for the part which may be posted.

If your father is satisfied with this arrangement, it will be necessary for him to remit to the Department within a period of sixty days from this date at least one-quarter of the purchase price.

Dear Sir.

Many thanks for your letter of March 12th but Mr Martin, the whole quarter section which is very poor is really not worth twenty two dollars. & the amount & the twenty-four acres would come to at three dollars per acre.

I also note what you say about & the rights of other parties probably securing the land if posted for a stock homestead.

Therefore if your Dept. have no private parties notify by letter of your intention of posting same other than your usual way through your Edmonton office. as you did in the last three parcels you posted. I would say our family would be willing to take the chance of you posting for homestead all the balance of the quarter we do not own, as around 143 acres.

I beg to acknowledge the receipt of your communication of the 2nd instant stating that your family is willing to take the chance of posting for homestead the unpatented portion of the North East quarter of Section 26, Township 48, Range 23, West of the 4th Meridian.

In reply thereto, I may say that the Department will not be justified in taking this action owing to the difficulty which would be experienced in delimiting the boundary, should the unpatented portion of the quarter section be secured by any other party.

Under the circumstances, it would appear that the best way out of this difficulty would be for your father to agree to purchase the balance of Legal Subdivision 10 containing 24 acres at a valuation of $3.00 per acre. If he is agreeable to this, I would suggest that he remit payment to the Department as soon as possible and the balance of the quarter section, namely, Legal Subdivisions 9, 15 and 16 can then be posted for settlement purposes.

You have already been advised that the Department would not consider the disposal of the unpatented portion of this quarter section in the way you suggest owing to the fact that it would be impossible to delimit the boundary between the area patented and the balance of the quarter section which was omitted from the patent by reason of the fact that it was then covered by water and unless your father is satisfied to purchase the balance of Legal Subdivision 10, containing 24 acres, at the valuation of $3.00 per acre, I am afraid there is no way in which you can be permitted to acquire the balance of this quarter section.

MEMORANDUM:

Harvey Fitzsimons, Esq.,
Assistant Commissioner
of Dominion Lands

The whole matter dealing with the applications made by Mr. Henry Kelley, his father and six brothers, to homestead or purchase certain lands lying South and West of Big Hay Lake, Township 48, Ranges 22 and 23, West of the 4th Meridian, is set out in Mr. Harvie's memorandum of the 15th January last on this file, hereunder (marked). In a memorandum dated the 22nd idem the Deputy Minister authorized that those portions of Section 25 and the South East quarter of Section 35, Township 48, Range 23, shown coloured purple on the plan attached to Mr. Harvie's memorandum, be posted for settlement, while the purchase price to Messrs. Kelley of the lands sold to them in the North East quarter of Section 26 and the West half of Section 35, in the same township, shown coloured brown on the plan, be reduced to $3.00 per acre.

In his letter hereunder, dated the 13th instant, in connection with which the Assistant Deputy Minister requests a report, Mr. Henry Kelley makes application for permission to secure a twenty-one year lease for grazing purposes on the portion of the North East quarter of Section 24 not already included in ranch 10811, the South East quarter of Section 25, 143 acres in the North East quarter of Section 26, and the South half of the South West quarter of Section 36, Township 48, Range 23; also, the North half of Section 31, and the West half of Section 32, Township 48, Range 22, West of the 4th Meridian.

A report dated the 29th ultimo has been received from Mr.Helmer, in which he makes reference to the lands now applied for by Mr. Kelley, and the advisability of leasing the same for grazing purposes.

North East quarter of Section 24, Tp.48, Range 23, W.4th M.

At the present time the west half of L.S. 9, L.S. 10, the South half and North West quarter of L.S. 15 and the South West quarter of L.S. 16, are comprised within ranch 10811, held under lease by Mr. H.J.Kelley, Junior.

Mr. Helmer points out that in his report dated the 6th November last, on page 4 under clause 8, he recommended that a better arrangement with regard to this quarter-section would be to grant Mr. Kelley a lease of L.S. 9, 10, 15 and the South West quarter of L.S. 16, containing an area of 130

acres

acres, instead of the 100 acres now covered by ranch 10811. He states that this would cover the land which he is now using and give him no exclusive rights over the pond in this quarter-section, and further points out that this recommendation is a result of a study of the situation by the Bird Sanctuary and Public Shooting Ground Commission, and met with their approval. The result of this recommendation would be to grant Mr. E. J. Kelley, Junior, an additional lease of the East half of L.S. 9 and the North East quarter of L.S.15.

South East quarter of Section 25, Tp.48, Range 23, W. 4th M.

In connection with this quarter-section Mr. Helmer states that the Commission did not know of any reason why Mr. Kelley should not acquire a lease of that quarter, and while the Commission believed that this quarter should be retained as a public shooting ground, there would be no objection to a lease of it for grazing purposes. Mr. Helmer points out, however, that permits were taken on this quarter-section last year for some 45 tons of hay, and for that reason he does not feel that Mr. Kelley should have a grazing lease thereof, and, therefore, does not recommend that action, as he believes that for the present hay permits should be issued.

North East quarter of Section 26, Tp.48, Range 23, W. 4th M.

As pointed out in the second paragraph of Mr. Harvie's memorandum of the 15th January last, the Kelley family have been permitted to acquire this 143 acres by purchase, and apparently the application for a lease of this quarter-section in the attached letter was made through an oversight. Mr. Helmer does not refer to this quarter-section in his report, which was submitted owing to representations made to him by Mr. Kelley in Edmonton.

L.S. 3 and 4 of Sec.36, Tp. 48, Range 23, W. 4th M.

The balance of this quarter-section is comprised within ranch 10811, held by Mr. E. J. Kelley, Junior. Mr. Helmer recommends that the Kelleys be given a lease of these two legal subdivisions. He refers to his report dated the 6th November last, in connection with this land, in which he states that it is old lake bottom covered with hay, of not much use for public shooting ground at the present level of the lake and might be leased for grazing, but that if the level of the lake increases, it would be valuable as a public shooting ground and should be retained.

North half of Section 31, Tp. 48, Range 22, W. 4th M.

It will be noted from the plan accompanying Mr. Harvie's memorandum that the accrued dried up areas in the North half of Section 31, which are shown coloured yellow, would appear to be subject to the riparian rights of the registered owners of the patented portions, and not available to be leased to the Kelleys. I may say that Mr. Helmer has recommended a lease of certain portions of the North half of Section 31, but in view of the status of the land, the same cannot, of course, be considered.

West half of Section 32, Tp. 48, Range 22, W. 4th M.

Mr. Helmer states that Mr.Kelley desires a lease of 70 acres of this half-section, so that he can get to the water. He states that the Bird Sanctuary and Public Shooting Ground Commission did not consider that Mr. Kelley should be allowed to acquire this land, for if the riparian rights provided for in the North East quarter of Section 31 be gone on with, the public would not have access to a suitable camping ground on the West half of Section 32, near the present waters of the lake.

Mr. Helmer states that Mr. Kelley's requests seem to him quite reasonable, and as they are old pioneers who have had to fight against many adverse conditions, he feels that everything within reason that the Department can do to make it possible for them to carry on should be done.

To sum up, of the lands now applied for by Mr. Kelley, Mr. Helmer recommends that the South East quarter of Section 25, Township 48, Range 23, be held for hay purposes, and that the West half of Section 32, Township 48, Range 22, be not leased, whereas the Kelleys have already been granted permission to purchase the North East quarter of Section 26, Township 48, Range 23, while the North half of Section 31, Township 48, Range 22, is not available owing to the owners of the patented portions having riparian rights thereon. The only remaining lands, therefore, are the balance of the North East quarter of Section 24, and L.S. 3 and 4 of Section 36, Township 48, Range 23. Mr. Helmer has recommended that the Kelleys be granted a lease of the East half of L.S. 9 and the North East quarter of L.S. 15, of Section 24, and L. S. 3 and 4 of Section 36. These lands are reserved for public shooting purposes, but if the Canadian National Parks Branch is agreeable that these parcels be leased for grazing purposes, any lease issued would contain a clause protecting the public, so that they might enter upon the lands for the purpose of shooting game in the open season, and also that the lease might be cancelled on twelve months' notice for non-observance on the part of the lessee of the restrictions with regard to wild fowl life. I presume, however, that before Mr. Kelley's application for a lease of these parcels could be considered, they would have to be posted for grazing only.

These lands are situated outside the tract in which twenty-one year leases are issued, so that, unless an exception is made, a ten year lease only could be granted.

Ref. 14261-A.

Department of the Interior,

Ottawa, January 11th, 1906.

Memorandum:

With reference to my memorandum to you of the 23rd May last respecting Mr. Gabriel Belcourt's application that the fractional E.½ of Section 22, Township 54, Range 7, West Fifth Meridian, be held for Mr. Frank Laderoute until he reached his eighteenth year in January next, I beg to say that the Agent of Dominion Lands was duly advised in accordance with your decision, to obtain a report from a Homestead Inspector in the matter.

The Agent now encloses Mr. Homestead Inspector McDonald's report in which he states that there is a hen coop on the land valued at $10.00 and brushing of the same value. He states also that the neighbors are of the opinion that Mr. Laderoute who made these improvements should obtain entry.

The Agent also encloses statutory declarations in this matter made by Mr. J.B.Letendre and Louis Courtorille.

Mr. Letendre sets forth in his declaration that Mr. Laderoute had the walls of a house built early in July last and a quantity of brush cut; also that a chicken house has been erected and finished by Laderoute and that the improvements are worth $70.00

Mr.Courtorille states in his declaration that Mr.Albert Cunningham, Junior, made application in May last for entry for the land in question and that during the time he (Cunningham) was in Edmonton to obtain entry Mr. Frank Laderoute began making improvements on the parcel and hauled logs for building purposes, having subsequently built a house and chicken house.

The Agent of Dominion Lands asked in his letter of the 12th April last whether Mr. Albert Cunningham might obtain homestead entry for the land in question; and as stated in my said memorandum the Agent advised Mr. Belcourt that it was probable that Mr. Cunningham would be granted entry for the land. Mr. Belcourt contended

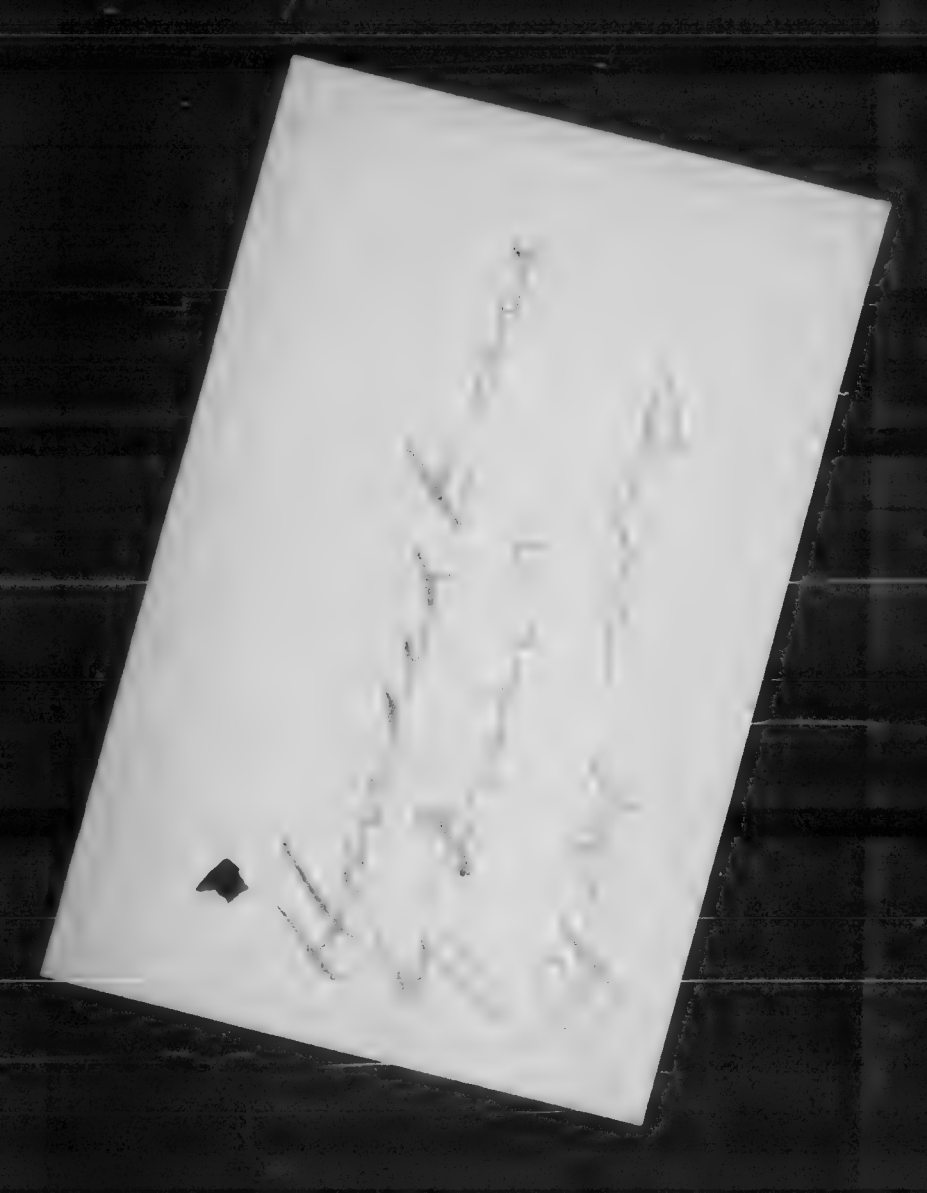

J. W. Greenway, Esq.,

Commissioner of Dominion Lands.

contended in his letter of the 20th April lastthat after Laderoute had commenced his improvements on the parcel in question Cunningham made application for entry at the local Dominion Lands Agency and made affidavit that there were no improvements. Mr.Courtorille's declaration is, however, in direct contradiction to the statement made by Mr. Belcourt as the former contends that Laderoute only commenced his improvements when Cunningham was absent in Edmonton for the purpose of securing entry for the parcel.

Mr. Laderoute had, of course, no right to make improvements on the land as he was not eligible to make a homestead entry and no assurance of any kind had been given to him that he would eventually secure it; and I think, in view of the evidence furnished that Mr. Cunningham should be granted entry for the parcel and the value of the improvements, as estimated by the Inspector, collected from him.

Belcourt's declaration of the 20th April,1905,which accompanied your letter of the latter date,are sent to you herewith enclosed.

Sir,

I am directed to acknowledge the receipt of your letter of the 14th ultimo, enclosing Mr. Homestead Inspector McDonald's report on the conflicting applications of Albert Cunningham and Frank Laderoute to homestead entry for the fractional E.½ of section 32, township 51, range 3, west 4th meridian, containing 70 acres, and to say that in view of the fact that Mr. Gabriel Belcourt contended in his letter of the 20th April last that, after Mr. Laderoute had commenced his improvements on the parcel in question, Mr. Cunningham made application for entry at the Dominion Lands Office and made an affidavit that there were no improvements on the land, while Mr. Courteoreille's declaration is in direct contradiction of the statement made by Mr. Belcourt, as Mr. Courteoreille contends that Mr. Laderoute commenced his improvements on the land when Mr. Cunningham was absent in Edmonton for the purpose of securing an entry for the land in question, it will, therefore, be necessary for the Homestead Inspector to obtain further evidence to establish without a doubt, if possible, whether the improvements were made by Mr. Laderoute before or after Mr. Cunningham applied for homestead entry. Memorandum:

With reference to my memorandum of the 11th January last, relating to the conflicting applications of Albert Cunningham and Frank Laderoute for homestead entry for the N.½ of Section 11, Township 14, Range 3, West Fifth Meridian, I beg to say that the agent at Dominion, Sask., at Minister's request, has now fully advised, in connection with the decision, that it would be necessary for a homestead inspector to obtain reports from both claimants without a audit, if possible, stating the improvements now made by Mr. Laderoute before or after Mr. Cunningham had applied for homestead entry, and transmit his letter of the 4th ultimo & statutory declaration made by Mr. Laderoute on the 11th April last in which the latter states that he began to make improvements on the 15th June, 1910. He also states in this declaration that Mr. Cunningham made application for entry for the quarter section at his office on the 13th April last. The agent further reports, as it would appear that Mr. Laderoute commenced improving the property after the application for entry had been made by Mr. Cunningham.

In view of these facts, I would beg to recommend, subject to my being advised as to the improvements, if any, that Mr. Cunningham should be granted entry for the said quarter section, as recommended by the Inspector from his ($3500) which is in accordance with the Minister's decision as endorsed on the postponing memo of the 11th January last.

Hilda Glanville acting S. of D.S.

I took up my residence on June 1st, 1906 and lived there till Jan 27th 1907. Since then I have been back with my brother I have always had my own stock and cattle to work with on my own homestead, and have been there to, and to them for three years and have accomodation for them

The only reason there is any question about residence is because I got turned into

Under these circumstances I was not very clear as to what should be considered actual residence.

The two applications which I had made out were made out by two different persons and I did not notice that they disagree I made a mistake of one year in date of one record of location I have been at work on my homestead for nearly every day for three years I have fifty acres of grain growing on it now, and think not outside that it made much material difference where I resided
